

**Binding
The
Strong Man
By
Bertrand Comparet**

About Pastor Dr. Bertrand L. Comparet, A. B., J. D.

Upon reading these most interesting discussions one will quickly recognize that the author is an ardent student of the Bible and particularly eschatology or the study of the prophecies of the things which have already taken place, the things that are now taking place, and the things that are yet to take place in the future. He is an ordained minister. His studies in this area of thought extend back over a period of thirty years.

One will quickly appreciate also the straight forward manner of factual presentation and logical thinking. This is due to his professional training and occupation as a well recognized Attorney at Law. He not only writes in a clear, convincing style, but is distinguished in the pulpit, on the lecture platform, and over the air for his clarity of thought and profound logic.

Bertrand L. Comparet is a native Californian, born in San Diego. He was graduated from Stanford University with the degree of Bachelor of Arts and Juris Doctor. He was admitted to the California Supreme Court or California Bar in 1926 and by the United States Supreme Court in 1956. From 1926 to 1932 he was a Deputy District Attorney in San Diego County and from 1942 to 1947 was Deputy City Attorney for the City of San Diego.

After that time he was in private law practice.

Quite obviously, he is a tried and true Christian and a loyal and patriotic American, a believer in a Sovereign America under Constitutional government.

Pastor Bertrand L. Comparet started teaching in 1933 and continued for over 40 years. He returned to the Father in August of 1983.

Binding The Strong Man

**By
Bertrand Comparet**

There is nothing out of date about the Bible. Its clear distinctions between good and evil, its rules for human conduct and its laws for the government of the nation, are as valid and as vital today as they ever were in the days of the prophets that wrote them. It was written then to be read now. Far more of its prophecies and warnings apply to this present time than were aimed at the times in which they were written. This is equally true of both Old and New Testaments, they are both part of the same book and each confirms the other. We would do well to heed them.

When our ancestors founded this nation, they were Christians who recognized the eternal validity of Yahweh's laws. They were aware that only in obedience to our God could the nation survive. Under the guidance of such men, the few colonies with their small and scattered populations grew to become the mightiest nation the world has ever seen.

All the power of ancient Babylon, Assyria, Egypt, and Rome, the empires who ruled with force and cruelty all the world they knew, were insignificant compared to the majestic might we enjoyed just 15 years ago. How did it happen that we have now fallen to the point where we pay heavy tribute money to communist Yugoslavia and Poland? We try, with whining pleas and bribes, to curry favour with Ghana, Indonesia, Cuba, the Congo, Tunisia and Ethiopia, meanwhile whimpering to anyone who will listen, we just can't survive without the help of these weak and helpless nations. Haven't we even one man in Washington who can understand, unless these nations have the courage and honour, to fight for their own freedom even though they stand alone like Finland, they certainly won't fight for us because we pay them bribes? How can we have fallen to the point where we just wince and yelp when Castro kicks us?

Only by allowing the anti Christian to corrupt us, to lead us away from Yahshua and the Bible, has this happened. No enemy army crushed our

power, and no foreign government has conquered us. Our own rulers, those whom we trusted to lead us, betrayed us. What comfort is it that traitors were few but dupes were many, the result is the same? Yahshua warned us not to let this happen. He said in Mark 3:27 & Matthew 12:29, "No man can enter into the strong man's house and spoil his goods except he will first bind the strong man and then he will spoil his house."

Who will do this treacherous act, is it an invader who binds the strong man? No indeed, it is done by anti Christians who have infiltrated and corrupted our nation and gained places of power within it. Yahshua said in Matthew 10:36, "A man's foes shall be they of his own household"

When we were the strongest nation in the world, able to set the entire world free, we allowed the infiltrators to create that evil monster, the United Nations. Then we surrendered our strength to it as to a conqueror. Since then it has done us no good, it has only weakened us and has begun to destroy even our internal liberties. We have been officially told that we have lost the power to decide who may own land in this nation, because that is contrary to United Nations treaties. Yet, our citizens are still subject to such restrictions in more than two thirds of the world.

With deceptive treachery, the U.N. proposes the so called Human Rights Covenant and Genocide Convention, both of which if we are foolish enough to adopt it, will abolish our Constitutional right to a trial by jury. It will make any American citizen subject to be deported to some foreign nation, there to be tried by foreign courts without a jury. The proceedings will be under a foreign law, in a language he doesn't understand. He will be thousands of miles away from the people he might need to call as witnesses in his defence. This, not because he had ever entered such other countries and violated their laws, but for something he had done here in the United States, which is perfectly legal under our own laws!

Did you think that could ever happen? Wake up! False accusations are an old, favourite means of disposing of a political opponent, especially by left wing groups. So you expect justice from such a court, if brought before it? Don't be silly! The prophet Micah describes the lands where our patriots would be tried on trumped up charges. "The devout have

vanished from the land, not one honest soul remains; everyone lurks for the bloodshed, each man preys on his fellows. They have quick fingers for foul play; the judge must handle a bribe, the high official acts as he pleases and between them they battle justice. The best of them are no better than briars, the straightest are like thorns twisted in a hedge."

Do you think that couldn't happen here? Wake up! In three different recent years, here in the United States, the so-called Military Government Teams have conducted practice seizures of American cities, in which they displaced the civil government. They set up concentration camps, issued proclamations threatening to close schools, churches and suspend the newspapers. All of this was done under the United Nations flag and in the name of the United Nations. Their proclamation stated, "The laws of your country which conflict with our Military Government polices, will be suspended. You will have to function under international law."

They listed many new crimes for which American citizens would be punished. Among these was publishing, circulating, or having in possession with intent to publish or circulate, any printed or written matter hostile, detrimental or disrespectful to the military government or to the government of any other of the United Nations.

Remember that Soviet Russia and several of her Red satellites are members of the United Nations. As a free American citizen, I will certainly continue to publish and circulate matters hostile and disrespectful to all communist governments. If our enthusiastic supporters of the U.N. have their way, I will face a firing squad for daring to tell the truth. So far have they gone, these blind worshipers of foreign rule, in their desire to destroy their own nation, that every true American patriot who wants this country to remain free and independent is smeared as isolationist, reactionary, or even Fascist.

Treacherous members of his own household, who would help his enemies steal his freedom and his wealth, have truly bound the strong man, our beloved nation. The time still left in which to set him free to defend himself, is desperately short. This could never have happened to us if we had obeyed Yahweh's laws and heeded His warnings.

Yahweh promised us in Exodus 19:5-6, "Now therefore, if ye will obey My voice indeed, and keep My covenant, then ye shall be a peculiar treasure unto Me above all people; for the earth is Mine. And ye shall be unto Me a kingdom of priests and a holy nation.

The penalty for setting the demands of admitted minority groups, above the laws of Yahweh, is severe. Hosea 4:6 tells us, "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to Me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

"For lack of statesmanship, a nation sinks." Proverbs 11:14

"For the leaders of this people cause them to err; and they that are led of them are destroyed." Isaiah 9:16. The Bible's message is not to the individual alone. A large part of the Bible is a message to the nation, which only the nation can keep. It reports many instances in which disaster came upon all the people, the multitude of individuals, because they had allowed their nation to follow the paths, which lead inevitably through corruption into ruin. What the nation must do is to instil responsibility in each one of us, as individuals. We must use all our power to direct the nation into the right paths. Otherwise, we suffer the disaster, which comes upon the nation.

This is the time for each of us to obey the warning in Isaiah 58:1, "Cries aloud, spare not, lift up thy voice like a trumpet and show my people their transgression."

If each of you will do your part, it isn't too late yet!
