This afternoon, we are speaking on a subject that some people think is controversial, but like the word, without controversy, Great is the Mystery of Godliness. I assure you that without controversy, Great is the Revelations of God's Purpose. But there isn't any controversy if God says this is what I am going to do. If God tells you He is going to do something and it is not just the misunderstanding of some man, then believe it. We discover that in many areas where it is repetitious, it is not just the work of man, but many men, each hearing and recording, writing down that which the Holy Spirit caused him to receive. And those which heard what Jesus said, bore record of it, they bore record exactly of what He declared His purpose to be. And in this instance we have the four Gospels and we have the witness of three or four men. So there is no question about the fact that these men have been accepted as to their declarations, and the veracity of these men is unquestioned.

There not only were the Apostles, upon which the foundations of the early Church were very clear on, but these men are men whose records stand the test of comparison. So in this instance the subject we are discussing relates to a tremendous event which is still ahead for this age. As we speak on this subject today there are a number of people who, because of their religious background have been given different aspects and different concepts concerning what the Bible teaches on this subject. This is a subject as to whether or not Christ will or will not return to earth again. It relates also to what is in store for individuals whose bodies have been laid away in the grave, and whose spirits have passed into the Plane of Spirit, or to such destinations as their origin had part, or determined. Now: I realize that there has been a lot of teaching scattered over the last 25 to 30 years because we have been living in the time that I would classify as the great apostasy. During this time as we have watched the strange trend of events, and the invasion of our society with an assimilative people who have come in, who are enemies of The Christ and His

Kingdom. And with their higher criticism have sought to destroy the whole concept and basic foundation, and blessed Hope of the Christian Church.

They have also sought to change your concept and constitutional Liberty, and what you thought was Americanism, and they would like to make you ashamed of Patriotism, and Americanism. And even try to give you a guilt complex for your success, because you are a 'have nation' by YAHWEH'S guidance. So you are in a period when so many thoughts challenge so many facts that have been historic, and that we find that it is not considered unseemly that these same forces having invaded the church, for the exact purpose of condemning its doctrines, just as they did so many years ago. One of those designs on the part of these people as they join the Church is not to work for the body of Christ, not to carry out its spiritual work for the development of nations of His Kingdom instead it is for the purpose of driving away what expected hope they might have for Divine intervention, or for God taking a hand in anything that is earthly. They would like also to take every spiritual force and every supernatural element out of your religion and end up with a philosophy of just a good man. And they do admit He was a good man, when they try to influence you, but when they wanted to crucify HIM, they laid everything they could think of to His charge. So I point out to you today that the Apostasy of our times has been to start to deny God on the things that are verities and on the things which proceed from His mouth.

And I also know people who cite that we no longer believe in this as a literal event when we refer to the second coming of Christ. And they say this is but a spiritual transition that comes to the consciousness of man. Then with a battle of words, they try to prove a point. It is most interesting to watch people, and theologians especially, battle with words concerning the consciousness of Christ's presence. 'I WILL NEVER LEAVE YOU NOR FORSAKE YOU' and the return of Christ is consummated in some theologians opinion when the Holy Spirit was poured out at Pentecost. They sound those words which He expressed in the 14th, chapter of John when God having revealed to John that He was the Everlasting Father. 'He who hath seen me hath seen the Father'. And when He promised to send the great consciousness of His own inner thinking and renew to their

minds, renew their spiritual minds with the very Wisdom out of His Own Mind. This is called the inner consciousness of His abiding presence, so in this instance He said: 'I COME UNTO YOU.' Thus the theologians think they have a position on this, that with the spiritual outpouring of the energy of God's Mind, and the mighty power, and the Divine energy of YAHWEH as it descended on men at Pentecost, that this was the second coming.

Now: I am not nearly as interested at the number of the comings of the Christ, as others are. I want to point out to you that when He sent the great Divine Wave-length of His Own Mind, and His Own Holy Spirit down on Christians to energize them, and to give them a renewing of their minds, to charge them with an understanding of His purpose, it was not the advent of Spirit, Soul, and Body, the fullness of YAHWEH. When YAHSHUA walked the earth He fulfilled prophecy. Prophecies which had been promised to us all thru the Old Testament and promises He had made unto us before the world was framed. It also embodied promises He had made which we can see in Isaiah 9., 'And the government shall be upon his shoulders'. This is the government of the Kingdom of God. This is His Administration in the earth and the government shall be upon His shoulders. 'His name shall be called Wonderful, Counsellor, the Almighty YAHWEH, the Everlasting Father, and the Prince of Peace.' This confirms what we were pointing out to you in the 14th., chapter in the Book of John as we listened to YAHSHUA as they asked him to show them The Father, and He replied: 'He that hath seen me, hath seen the Father, how saith thou show us the Father?' This Son, this child born unto us was to be none other than the embodiment of YAHWEH for MESSIAH could be no less than this. And we the offspring of YAHWEH were awaiting His joining us in the flesh as the Apostle Paul in His Celestial experience was to recount as he said: That since the children of YAHWEH were embodied in the flesh, then YAHWEH TOOK UPON HIMSELF THE SAME FLESH THAT HE MIGHT BE LIKE HIS KINSMEN.'

Now: since the prophecies that YAHWEH gave to the prophets, and the experiences of His own revelations from His own Word was, that He was going to come to earth, and be embodied as a man, then we were to see

YAHWEH, in Spirit, Soul, and Body, and we were told by the Apostle Paul that the fullness of YAHWEH dwelt bodily in the Man Christ Jesus, YAHSHUA THE MESSIAH. This was all of YAHWEH Spirit, Soul, and Body except for that extension of Spirit that is Omnipresent which fills Heaven and earth. But this was the embodiment of YAHWEH, and upon this cornerstone and foundation, the whole structure of the Christian Faith rests. If this was not YAHWEH, then My Friends, there is an error upon which all Christianity has been built, and it is like all other Faith' just the ravings of Men. But we do not have to question the wonders of Christian civilization, and establish its ability to work, the great spiritual forces involved and the history. We don't have to worry about the truth of this record because we have that truth. We have the covenant and the prophecy of when this MESSIAH was to be born. We know He was to be, ALMIGHTY YAHWEH, The Prince of Peace, and at the increase of His government, after the spiritual power He was going to send forth, which was going to re-energize this nation and this race which He had placed in the earth, and to this government there would be no end. Eventually this government was to see this very embodied YAHWEH seated upon the Throne of David, and upon His Kingdom to order and establish it with judgment, and justice forever. And the very Zeal of YAHWEH is going to perform this.

Now: get this clear. Isaiah revealed that MESSIAH was going to come, and that He would be revealed as the Eternal YAHWEH The Almighty Father and that He would also establish and energize this Kingdom, and it would not decrease but rather increase and spread. And that the culmination as it relates to this manifestation of the Messiah was that He was going to sit upon the Throne of David, and rule upon the earth, ruling for a cycle of His own purpose. Now: I think that in the life of Christ, He has fulfilled great areas of this prophecy, but He has not as yet assumed the Throne of David, and He has not established an earthly administration which reaches out over all the earth wherein every knee has not bowed. Also the nations of this earth have not become the nations of our LORD and His Christ, which are the Sheep of His Kingdom; these have not been fulfilled. Prophecy can be progressive, and some prophecies have a long time element for their fulfilment. There is no question however that this is what the record says: but now we turn to see if there is any relationship

to this, and to the purposes Christ expressed when He was here on earth. Today I noticed that one of the Patriots with great and able explanations of this conspiracy which is directed against God's nation, and recognizing that out of Jewry and Communism, and Zionism, is coming this great evil. And He said one of the great problems that we have today is that a great many people in the world are torn in finding what to do, because they believe in the doctrine called the 'second coming of Christ'. This he said was largely developed by a man named Scofield, and a man named Larkin, as they drew up charts, and then had a whole lot of bad interpretations which said that Christ was coming back to earth again, and of course it is not based upon the Scriptures. Well, there are thousands of people who hear this man, and think he has a fine and able analysis of world events. But in this statement this man demonstrated that he did not know as much as he thought he did of what the Bible contains and what God has said.

Now, no one will take anymore latitude than I when it comes to going down into the processes of whence ideas originate, even to challenge areas of this Book where we feel it has been tampered with, thus there are doctrines that we know Jewry put inside Catholicism and then eventually they seeped over into Protestantism and has been effecting all Christianity. All doctrines concerning Hell, Purgatory, Limbo and many traditions never existed in the original. We have gone back and checked, and by comparison of records, demonstrated that this is not compatible even with the nature of God, or the things that relate to Him or His promises, or the things He talks about. We have found that on several occasions translators have changed the Shekinah Glory of God, and have purged whole areas of something good, and substituted flames of fire and whole lakes of hell. But they created that misconception for when they go back to the old records it says: Shekinah Glory and flames of torture chambers are a whole lot different than Shekinah Glory in my book. Now: I point this out to you only to show you that we do not take a dogmatic position, and would never change for merely a prejudice toward a set of ideas, but I am interested in only one thing and there is only one thing that will help your civilization and your society, and there is one thing that you can build on, and that is TRUTH. We must know the truth, and the truth alone will SET US FREE. I am not interested in any principal or doctrine merely because

it has been considered Orthodox, and been preserved throughout the years by Churchology, unless it is founded on something God said; and there is witness to the fact that it is not just a whim of a man, but something here, and advocated over the centuries. Now this opinion of the Second Coming which is held by quite a few people is suddenly shaken, and all their thinking that all the reward and their expectations are amiss. They seemed to have believed that men were placed here to be as good as they can, so that when they die they inherit a heavenly reward somewhere far out in space.

Now this reward system has its admirable traits, and they seem to think this is how justice is to be wrought. And they also have within it the same torture chambers that they picked up from the superstitions of the Pagans round-about them. But in this instance they cite that the spiritual coming of the Holy Spirit is the Second Coming of Christ, and that is all there is to be. That this is an appearing in the seat of the consciousness of an individual and that is all there is. And beyond that, this world is not our home and we are going to get out of here and go somewhere. Then they don't even know that going into the plane of spirit is going back to where we came from. There are Scriptures that talk about the re-entrance of the spirit back into the presence of the Most High. There are things that refer to heavenly areas, heavenly blessings, and heavenly rewards, but in the matters of translation, the church has reversed them. Before we go any further we want to tell you that we don't agree with these individuals who say if there isn't any hell then there isn't any heaven. Then they try to say that are no heavens. But we know that heavens are dimensions and planes of spirit, and areas of God's creation. And the Universe has many areas and many planes and many dimensions, and your spirit, born of the Most High God, can move into even the very dimension in which the Most High God exists, and in that plane where that Eternal Celestial being has its field and vibration and operation. If your body was to suddenly wither and die, your consciousness passing into that plane of spirit will go back into that plane.

However, since which Christ is dwelling is Heaven, then Heaven can be a state of being, and anywhere Christ is would be Heaven. That can also be true for you, and can dwell in you when you realize this is a Christed

body and the Christ in you is the Hope of Glory. No wonder Jesus said the Kingdom of Heaven is within you. But He was not separating this from the creative plane of dimensions for He said: In my fathers house are many mansions, if it were not so I would have told you. His House, The Universe. The reason we are concerned about this is because a lot of people have strange ideas about their responsibilities. Some of them feel, we don't have anything to lose anyhow, so we just as well throw ourselves into this fight and if we get killed we are going to heaven. Well there isn't anything to fear as far as the enemy is concerned, and people should be willing however to expend themselves for the program of God, but the idea isn't to see if you can get killed in the process, the idea is to wipe out evil, establish the Kingdom, and stay as long as you can. I'm not to sure that the children of God are expendable, so I think it is time you started to think in terms of occupation, of the Kingdom of God.

Now let us consider this process: the church is torn again as they started to once more study the Scriptures, and out of the translations, and out of whole circles of theological opinions that grew up around Luther, and a great number of others that raised up at that time such as the Wesley's and under Calvin these were God fearing men, and each had a great drive to do something for God. They knew that He was The Christ, and they knew that Christ was the embodiment of God, though how much of the doctrine of the past they were to be involved with, they did not know. Each one of these men had a great drive to do something for God a great spiritual source followed their fervour, and they had a great impact on the lives of men. Great institutions were started, and their names were put upon them. Of course that was a sorry day for the earth, when we started to hang the names of religious leaders on the Church. You say why? Isn't it alright to have Lutheran Churches and Methodist churches etc.?

There is only one name for the Church and that is Christian. There is only one institution and that is the Great Church of YAHSHUA THE CHRIST. And all these others are just names they hung over the doors. They do give honour to men but that is all, for the only name for the Church is Christian. You are going to see the day when there is ONE FAITH, ONE YAHWEH-YAHSHUA, ONE BAPTISM. This will bring about the greatest unity of spiritual strength the world has ever witnessed.

As related to these doctrines, the great impact that has descended upon the church has been the design, by the Jews, that since they could not destroy Christianity, or hire Emperor's to liquidate it, or murder all those that bore testimony of Christ, then the design was to join the church and change the doctrine. And that has been the basis of their plan ever since they joined the churches. Also when they joined they brought in pagan doctrines, and sought to influence, and since we were in the period of time when there was no printing presses, or fast communications, that such Scripture which was selected at Nicaea, and even what we call the Bible today were copied by individuals who gave their life of service in order to preserve the Scriptures then they did great damage in places.

Now some people are so hostile to something they have been opposed to, because somewhere down the line in their background, people protested areas that they think the Monks changed as they copied the Scriptures, they don't want to give those Monks any credit. But let me tell you that those Monks in their cells and in their Monasteries copied Scriptures so that there might be a multitude of the Scrolls. And they did this with an evangelistic desire. In the Abbotries of England they were copying Scriptures, and the individuals had resigned themselves to this type of life to preserve the Scriptures in those days when there was no printing press. And I am sure that there is one thing you can say, every white man on the face of the earth owes a debt of gratitude to these men who in a sacrificial life wanted to preserve, for you, THE WORDS OF GOD. Now we do not say that they copied them all, for many of them stayed in manuscripts undiscovered after the decisions at Nicaea, and many of them were copied in an almost frenzied rebellion against the hierarchies and then distributed. But the fact remains that they bore their testimony. Then descended over the Western World, the dark ages, and the dark ages came because of the lack of the ability to have communications in the areas of spiritual vitality. So this area was a period of illiteracy for your race because normally you were a race of literate people. Go back to the days of your beginning and normally you had scrolls and records, even in the days when Enoch and Job were erecting the great Temples in ON, and in the days of Zohar there were also scrolls, and then scrolls were kept in the Temple. In the background of your race your young men and young women were taught to write and to read and to understand. And while

scrolls were not in everyone's possession, yet they were some thing's every one saw, and that your race were able to understand to interpret. The number of scrolls increased, and in the days of Solomon, almost every household possessed them showing you that this was one thing the young men did in the course of their education. They copied the scrolls of Isaiah, and they copied the scrolls that related to the great fundamental teachings of your race. And thus it was that almost every home had the records within it that the sons of the household copied in the course of their instructions, and the number of scrolls told you the number of sons of that household. But during the dark ages, the normal speed of the spread of literacy was stopped. It had been through that time mostly spread by word of mouth, and it had been under the impact of forces stirred with evangelism, and the design to suppress and control, from various areas, the whole structure of civilization.

The results were that it wasn't until the advent of the printing press in the days of Wycliffe and others, that we watched the printing of Bibles and even the teachers' translations, and reconstructions of the Hebrew and Greek, which they had assembled because of the errors they felt and protested. The protests made by Martin Luther over doctrines he could not accept concerning the fact that you were justified by Faith, and all these processes of penitence, and self-inflicted pain, had nothing to do with His Spirit, and certainly it wasn't very good for his soul, and just gave him pain and consciousness of it. And that if a man accepted the atonement of Christ there was no use for him to afflict upon himself any further pain to supplement that which was wrought on Calvary. That became a sound pattern of doctrine and available to them by authority in the majority of the Scriptures they then had, and there were some things even by interpretation and translation that were written in to enforce this abomination of self-inflicted pain, so they changed it.

They had copies of documents of the Alexandrian text, and that was what Calvin used as well as others that went before it, and when they saw that it wasn't in the original text they gave you later translations of Greek and Hebrew, and they removed these areas they saw which were directly opposite the original Scriptures. But there was also some things they weren't willing to surrender as yet among them were the doctrines in

which they thought they were going to make people be good, by fear, rather than to have them live by spiritual transition and desire. Now, in the early church in the days of Christ, they spoke and taught and thought as Christ had instructed them. They thought also of the great cultural background of the race, as they had interpreted them through the long tradition of service and worship which had followed your race from Adam down to Christ. It is also true that in the period after the hierarchies was first formed, and in the days when Jewry first invaded the church to change its doctrine that only the studying ecclesiastic officials had a conversant knowledge of the doctrine that made up the church.

Then gradually a suppression was being brought by the hierarchy who were replacing the purpose that Christ declared He was to fulfil with His own hierarchy. Then gradually they stopped telling people about a bodily return of The Christ, and they built up a system of responsibility to the orders of the church who now took possession of the souls of their people to grant unto them admission into the heavens with some kind of a concord they must have with St. Peter, and to withhold it from their people if they were not obedient to the church and to its collection basket. Some of you will say: you shouldn't be that frank, but that is exactly what happened, without going into a long explanation of it. During that period of time there were in Europe millions of people who knew that YAHSH-UA WAS THE CHRIST. They knew that their Messiah had come. They knew about the sign of the Cross, they knew that they were Christians because they believed this. They knew that they had traditions passed down to them through their generations that were still alive in them and that this was a part of this tradition. But they did not know about the factors of doctrine, and they did not know about the return of Christ, as only a few Evangelists once in a while talked about the fact that Christ would come and that the Kingdom was going to come in, and judgment was going to fall and generally the judgment was going to fall so they thought on the other church they were disagreeing with.

Then after the dark ages were ended, we went through a period of fallacies and errors, then we started to reconstruct, not completely brought out into the light and truth, but as far as they could go with such knowledge that they possessed. But there was a covenant and God had

promised that He was going to speak to these people line on line, and precept on precept. He promised He was going to restore unto us the knowledge of the truth. He promised that before the climax of this age that He was going to bring all things unto our remembrances and lead us into the knowledge of all truth. And we were told that knowledge was going to increase, and wisdom was going to descend, and the force that makes this possible is the great flowing invisible wave-length of Divine energy that stimulates the souls of the sons and the daughters of God. Re-erects in their consciousness the images of God's thinking and supplements it with the witness of the Spirit as it is found for them in the Scriptures. This is why I can tell you as a Minister who has preached the Gospel, that YAHWEH unveils the whole panorama of ideas, and they pass like whole tabloids before a minister of God and you sometimes stand amazed at the thought of the panorama of pictures, and then you start looking for it, and sometimes you don't find it right away, but then the Holy Spirit brings it to your attention, and you discover that it was there all the time. But they hadn't talked about it in the Methodist seminary, and they hadn't talked about it down in Louisville, Kentucky, or down here in Chapman College because the Spirit hadn't stimulated their consciousness, and they were still holding on to the tradition of the church.

Now I am well aware that in this instance there came a great rising doctrine, the doctrine of holy living and responsibility to the Laws of God. Spiritual stimulation, high moral standards, and the church went through an Evangelical Renaissance, and we came out of the dark ages, and back into the age of the Printing Press and the declaration of truth, and with the preaching of the church, when it was a great and spiritual and moral influence, and we started a great restoration, and we went into this climatic period of the end of this age. We are in the end of what we call the Church Age, or the end of this age which started with Christ's Ministry, and is now in its final areas.

Now we are back not only into a period of literacy, but with the spirit and knowledge, and the spread of the knowledge of God which is going to cover the earth as the waters cover the sea. Back with it came spiritual guidance, technology, ability, and know-how, and great power. And also

with it came the ability to carry to the ends of the earth an Evangelistic program that has been in the works for 200 years, by the white nations of the Western world. Now we can look back and you cannot conceive of living in a time when people didn't know what you know. And yet you know that in your own lifetime. God has been opening up the Book and you discover that what you thought as a young person is no longer valid today because it has expanded with revelation, and you have many foundations shaken in this great expansion of truth. But in the beginning of this period, they were working on behavioural standards and other factors, and there was not too much said about the Second Coming of Christ. There were individual Evangelists who point it out as they came upon Scriptures and puzzled over them. A man by the name of Blackstone wrote a book, 'Jesus is coming', and the Moody Bible Institute circulated it, and the man had filled the book with texts that referred to the fact that Jesus is coming back. Automatically the church started to divide into two branches over this; into post-millenist, and pre-millenist. They positively knew that the day was now apparent that at sometime or other God was going to step back into Human affairs. They also saw all through the Bible prophecies of the triumph of the Saints, the breathing offspring of the Most High. They saw that Christian civilization was going to conquer and it was going to rule. And so some of them said: when we have done our job, and made the world a fine place to live and conquered everything that is wrong, and we have it all in order then Christ is going to come back, and these people were called Post-Millennium people. Then with Blackstone's book and with the advance of the study of things, then many began to see that the forces of darkness were not suppressed, that we were still battling them, that they were not overthrown when Christ came, so a great and vital need brought the cry LORD JESUS COME QUICKLY. The need was for Divine assistance, because we were in the midst of a mesh of darkness, in a trap, for we were only 1/6th., of the worlds population. We were mighty sons being empowered, but the climatic pattern of events was going to be intervention of Christ into the battle, and the re-entrance into the physical world, and the establishment with power of His Kingdom to take the throne of David, as prophesied by Isaiah and these people were called, pre-millennist's. Now that basic Orthodoxy had started to study this thing, and then large areas of Methodist and large areas of Calvinist's, and

the Armenian Gospel as well as the Calvinist started a general acceptance of Pre-millennium acceptance. But they didn't go much into detail because most Ministers couldn't tell you what they do believe about the return of Christ. Here in the last days there has seemed to be also an intent to move in and knock this out. In the last 25 or 30 years this has happened, and you can't go into many churches in the denominations today and hear any messages on whether Christ will or will not return. In fact some do not even talk of HIM. Then if any minister talks about His coming they say he is just believing in superstition, in bedtime stories and anyway its old fashioned. But if it is old fashioned to believe in what Christ said, HIMSELF, and what the Bible says about His return, then you better get an old fashioned Bible, because you won't have any Bible left if you take that out of it. You say, how do I know? Well, it's in the Book. Lets turn here into the Book of Matthew and 24:27 and Jesus says: 'As the lightening cometh from the east to the west, so shall the coming of the son of man be.' He was already on earth when He said this. He was participating in a ministry that He had not finished. So He was telling His disciples and the crowd that just as fast as lightening speeds across, so shall the son of man come into world affairs again. Then He says: In times of tribulation, times like now with nuclear bombs, and the darkness of the sun, and the blood of the moon, all of these signs in the sky. In times of tribulation, when powers of darkness are creating problems for the Kingdom, then shall appear the sign of the son of man in the heavens. We told you what that sign was, and Enoch told you centuries and centuries before the birth of Christ just what sign to look for. You have already passed that one sign that was in the measure of Enoch, and that was February of this year, 2-4-62. 'Then shall appear the signs of the son of man in the heavens, and the tribes of earth shall mourn.' This means the world order. Do you remember when that sign moved into the sky, last February when the planets lined up, and the pagans over in India started to wail and the Witchdoctors said the end of the world has come? All of them saw the sign of the son of man and they started to weep and wail. Now it is all a matter of History, but we kept those headlines and they said: that the nations of Asia, and India mourn and wail over the signs in the sky. Some of the farmers laughed and said: it won't have any effect on that part of the earth, but it had an effect upon their brain.

Now the Scripture says: then you shall see, meaning that not long after this event and in its measure of time (Matthew 24:30) 'Then they shall see the Son of Man coming in the clouds of heaven, with power and great Glory.' I asked several friends who are very fine on spiritual things but they don't seem to understand the background of simple semantics, and they say: well, nobody is going to see Christ when He comes; nobody is ever going to see Him again. He is just up there in Spirit, and nobody is going to see HIM. But Jesus while here on earth said: these tribes of earth, who are not spiritual, who worship Buddha, and all these other false gods, **ARE GOING TO SEE HIM COME IN POWER.** He even told some of the Jews that they are going to see Him and I tell you for sure, that there is nothing spiritual about the Jews.

Now; they shall see the signs of the son of man in the heavens, and the tribes of earth shall mourn, then, when they see the son of man coming in the clouds of heaven with power and glory, HE is going to send His administering spirits, His great Angels, and they will sound the trumpets, and He is going to gather His Elect from the four winds, of one end of the earth to the other. The sign has come, and they are moving in. The thing I want you to note is 'When you see the sign of the son of man coming in the clouds of Heaven.' Matthew 24:27-34. Then Matthew 25 continues also with this declaration, and here Jesus is talking to His disciples, unto whom He is revealing the Mysteries of the Kingdom of Heaven and He says: (vs: 31) 'When the son of man shall come in His Glory' so there is an hour when Christ comes, not as He did during His Ministry to work and carry out His ministry for His people. Because He carried it out with great spiritual vitality as YAHWEH would do, performing miracles, and transforming men's lives with the power of His Spirit. But here He let them whip Him, and He let them scourge Him, and He let them crucify Him, but then He demonstrated by His Resurrection that He was still master of the situation. Then He left in one of those great crafts of space and went into the heavens, but he left 2 men to bear witness that He would be back as they saw Him go. This was not the hour in which Christ was to establish His power and rule the earth. He did not take the throne of His Father David at that time, so no one can say that there will not be an hour when that is to happen. Now listen; He says: 'When the son of man shall come in power and Glory, and His Holy Angels are with Him then

He is going to sit upon the throne of His Glory. If you remember the promise made to the Virgin Mary, it was that this was, THE MESSIAH who was going to gather the nations and the whole United Nations will be in one spot, then He said, I am going to separate the sheep nations from the goat nations, with a segregation that a good segregationist would use. He said, I am going to segregate them, separate, divide them as a good shepherd is supposed to know how to do, separate the sheep from the goats. I tell you today that the white race is as far apart from the rest of the world as sheep are from goats today. Any biologist knows that, so surely Preachers know that. And as He separates them and puts the sheep on the right and the goats on the left He is going to say, 'come ye blessed of the Father, receive the Kingdom, the administration and the dominion, and rule, that has been prepared for you from before the foundation of the world.' I just wanted you to know that Matthew, one of the Apostles, one of the foundation stones of the church, put this in his record as he told us what Jesus said.

Now turn to Mark and we discover that what Matthew heard wasn't an error or illusion, for Mark heard Jesus as He laced down the High Priests, and the world order they represented, and here Mark head Jesus say: I AM YAHSHUA, I AM YAHWEH, whenever you see the words I AM; it means THE ABOVE, and so Jesus said: I AM YAHSHUA, AND YE SHALL SEE THE SON OF MAN SITTING ON THE RIGHT HAND OF POWER COMING IN THE CLOUDS OF HEAVEN. Mark 14:62. Now: this right hand is just a matter of interpretation because the other texts say: 'Ye shall see the son of man with the sceptre of authority coming in the clouds of heaven.' The right hand carried this distinction of authority when men sat on the throne, thus they translated it as you shall see the son of man seated on the right hand of power. But it should read: 'Ye shall see the son of man coming with the sceptre of power, in the clouds of heaven.' So: Mark heard Jesus tell off the High Priests that were over this world order, and tell them that one of these days there was a surprise coming, because YAHSHUA, the son of man, the I AM THE MESSIAH, I AM YAHWEH was coming with power and glory in the clouds of heaven. I just wanted to put Marks testimony in here so let's go on and see what Luke has to say about this. Luke 12:36-40. This is a parable. It is also speaking of the coming of the son of man, and is another

witness to this coming to earth. And apparently when He comes to earth, His servants, His people are still going to be here. John 14:3 also bears witness to His coming. 'If I go I will come again.' If you are going to believe anyone, then believe Jesus, and if I can't believe Jesus then I can't believe what any preacher who comes after Him teaches. When I think of these words, after the mighty power of His Resurrection, when He had spent 40 days after that Resurrection instructing His disciples, then He goes outside the city. In the Book of Acts, it tells how Jesus told His disciples to go to the city of Jerusalem and to wait there for this mighty power to come to them, then when He is finished speaking He was taken up. But how did He go? He was taken up, something carried Him. In almost every instance where God comes and goes, or where it is recorded in the Scriptures, there is an enveloping cloud, and it is so brilliant in its Glory that you can't see on the inside. This was true when God was travelling in a great flagship of heaven, and it appeared like a pillar of light by day, and a pillar of fire by night, and He travelled with them as He brought them out of the Egyptian bondage, and it tells you that YAHWEH was in that cloud. Then as YAHSUA stepped into that cloud and the disciples stood looking up, two men stepped out of it and they said: 'Now don't stand there looking at the ascent of this enveloping cloud of Glory, but remember that this same Christ shall come again as ye see Him go.' He was taken inside this cloud and out of their sight. The first chapter of Acts starts out by telling us that Christ is coming back, and one of the first sermons that Peter preached, he talked about heaven receiving Christ until the time of the restitution of all things, spoken of by the Holy Prophets, and the Prophets spoke of when He is going to come back. The Apostle Paul is one of the best of informed men in the entire area of the New Testament. He wrote more letters and more Epistles which we still use today, for instruction, and for evaluation, and the full understanding of the revelations of that time. He was not only called by YAHWEH but he was taken out of the trap of Jewish propaganda and brainwashing and energized with the knowledge and wisdom he had been raised in, and which was his destiny, and there he had unveiled experiences. Paul was a Benjamite (Light Carrier) and not a Jew. He was caught in their religion until he was saved out of it, but by race he was not a Jew. Paul was a man of great scholarship and a great Faith. A man who loved his Faith enough that physical problems did not matter as he carried out his Destiny. He

knew no fear for in the Coliseum he took a short sword and fought with beasts. He stood as a Gladiator and fought the beasts of darkness of the world order. He threw back his coat and said: 'Look at these scars, look at how many times I bear wounds for the Gospel of Christ. Have you resisted yet to blood?' This Paul was a mans man, with courage and with power, and he must have been a pretty good looking specimen for when he went to Greece they said: 'Look, here comes Apollo' Paul had been carried into the heavens by one of the great space crafts, and he didn't know whether in the body or in the Spirit, and he said God alone knew, and there he received direct instructions, more than any man outside of John, in the New Testament record, so what did Paul tell us? Paul was told all about things that were to come to pass. He was told of the Mystery, he was told about the conquest of death, and about the power of the Resurrection. Paul wrote to the people of Thessalonica and said: 'I say unto you by the very word of the LORD.' And when Paul says: the very word of the Lord you can believe it. Paul is about the only writer of Scriptures that says: I speak as a man, and then in other places he says: I speak as the Word of The LORD and when he speaks thus, then you better believe it. Here in the King James Version then Paul says in Thessalonians 4:15, 'For this we say unto you, by the Word of the LORD, that we which are alive and remain unto the coming of the LORD shall not prevent them which are asleep.' Now: the word asleep was not in the original text, but was put in by the church for it had another doctrine it wanted to pass up. The original text says: 'Those who are alive shall not hinder those who are dead, unto the coming of the LORD.' Paul believed this: 'For YAHWEH shall descend from the heavens with a battle cry, a mighty shout, with the voices of Archangels, the trumpet of God, and even the bodies of the Saints that are dead, are going to rise first, transformed, the very element of their being into a glorious illuminated, incorruptible body.' Physicists know that the activating of elements can be done with one lightening flash of light electrical discharge. You can gather every particle of every atom that ever existed, and put it into its own orbit. Listen: Therefore those of us who are alive are going to be changed in the very element of our being, in these same hours that we are here recording now. We which are alive, or remain at that hour are going to meet, THE CHRIST, in Shekinah Glory. And we shall all at that moment be in the presence of the Eternal YAHWEH.

Now I point out to you over here in Thessalonians that it tells you that at such a moment and in such an hour that this transition is one of the expected hopes of the church, the spiritual centre of the Kingdom. Based on what was told Paul, and what Jesus said, and what His disciples said then I turn to Corinthians 15:51 and it says: 'Behold, I shew you a mystery; we shall not all sleep' alright we aren't all going to be silent in death permanently. The body that was the outward witness is not going to be a failure. We aren't always going to be silent in the grave but we shall be changed, transformed, in a moment, in a twinkling of an eye. 186,000 miles per second is how fast the speed of light moves at the earths surface. That's how fast that this twinkling, this transition will be in the twinkling of an eye. That is pretty fast. And now then, when? At the last moment of that hour when Christ descends with Power and Majesty and Glory, at the sound of that trumpet. They could sound it right now and I would rush out to see. Always they sounded the trumpet to gather ISRAEL. Here in Hollywood when that trumpet sounds they will run out into the brush and try to hide. Don't doubt it for one moment, because when the trumpet sounds, the skies will fill with the armies of heaven, and you may run out with rapture on your face, but there are a lot of people who will run and try to hide in the rocks, and in the basements, and in the bomb shelters, for they don't want the Light, and they are going to be afraid. One prominent Jew who lives here in Hollywood, when asked what he thought about Christ's coming said: 'if He comes, we've had it'. Well, when He comes, WE'VE GOT IT. I want to turn to Phillipians and again it is the supporting position of the Apostle Paul, and he is talking about the fact that our conversation ought to be in line with heavens purposes and programs. 'Let our conversation be in alignment with heaven and its purposes, from whence we are looking for our Saviour, our YAHSHUAS our YAHWEH SAVIOR; who shall change these bodies that can know sickness, and pain, and death, until they are fashioned like unto His own glorious body. And according to the working whereby He is able to subdue all things unto Himself.' I want to add to this: putting a number on the comings of God to earth is a rather silly thing anyhow. For He put the whole thing together and without HIM, how many things were made? How many times He walked this earth I cannot remember. But before this cosmos was finally formed He walked, and you were with HIM, before this world was framed. You stood like

Job when He laid the measuring line out. I know that He walked the earth when He placed His own issue, Adam, in the earth. I know He walked the earth when He challenged us in the hour of the fallacy and seduction of Eve, in the great fall of our society when we lost the aura and Glory that He has promised to bring back to us. I know He walked the earth in the days of Enoch and Job because they received Him, and there between the two pillars they erected in Egypt, in the Temple of ON, He served that great company of Scientists and Wisemen of your race the Communion and that is a matter of record. They knew HIM then and even the Egyptians talked about how He visited these strange white men as, O Siris, Lord of Life and Resurrection, the Ka of Ra. Yes He walked the earth many, many times. I know that YAHWEH is not just a principal. I know that He is not just a radiation of Light without form. I know that He is not just a strange force that works in nature. I know that all these forces and patterns emanate from Him, but He is an individual, He has shape, He has form, and the whole physical structure is in the image of the spiritual. He is spirit, soul, and body. And you were begotten out of His Light, and out of His seed, and out of His Image. Now remember how He talked to Moses out of the Burning Bush, and how with a very great host of space crafts, the mighty fleet of the heavens with thousands of breathing offspring, gathered over Paran, and descended over Sinai when He came to give Moses the Law and I can show you this all in Deuteronomy. Thousands of the offspring out of the heavens came with HIM when He came to give the Law to His family in the earth. Then Moses said: Oh, if I could just see you, the things I want most of all is to see you, to see your shape, your form, your Glory. So YAHWEH said to Moses: You cannot take this Glory but I'll tell you what I am going to do. I'm going to come down off the mountain and as I walk by, then this you are to do. You get down there in those hollow rocks, and there is a little crack there, and you can look out of that crack as I walk by, but you wait until I pass by for you cannot look at the Glory (Light) of My face, because as of now you cannot stand it. You just wait until I retreat and you can see the back of YAHWEH. Well, Moses went down and got into the rocks and found the little crack to look out through, but YAHWEH knew how curious Moses was so as He approached He put his hand over the crack in the rock where Moses was, so as He approached He put His hand over the crack in the rock where Moses was looking out. If He hadn't done this Moses would

have burned himself up with Glory, but as He walked past then YAHWEH removed His hand and Moses beheld the Glory of the back of YAHWEH. I will tell you this YAHWEH is your Father, and he had a hand, a form, a body. He had a back, He is a person, and when He comes to earth He has a body. He was a person, He was the son of man and when He comes to earth He is going to have a body and you are going to see HIM, you are going to know Him, and you are going to be able to touch Him, just like Thomas, after His Resurrection, because, He is the same today, yesterday, and forever. When the Apostle Paul bore record of that in Hebrew 13:8., he was bearing testimony to the Eternal Majesty whose Glory from Sinai was to Light His Resurrection, and will be even greater eclipsed in that day and they will say: KING OF KING, AND LORD OF LORDS. When sweeping out of the heavens, according to His own prophecy, and His own words, will come the greatest reinforcements your race has ever had. The great hour when YAHWEH is going to place Glory on the white race, such Glory as the world has never witnessed in all its history, so much Glory and radiation, and you are going to see what Moses couldn't look at that day, but what Moses has seen many times since. And in that hour you are going to hear these words: KING OF KINGS, AND LORD OF LORDS. You are going to see every obstacle melt away, and you are going to see them break their swords, you are going to see them bow the knee, you are going to hear YAHWEH declare: These are my sons and daughters, I put them here and you better listen to them. I have developed them for the development of the earth, and for the administration of My Kingdom. This Kingdom is here forever and no one is going to destroy it. Just remember that this is what the Bible teaches. Never mind how much politics somebody understands, never mind how much they think with their theology, they transcended the reality of what YAHWEH said. I can't think of a better picture, a finer promise. I can't think of a more important historical event. I know God appeared before Joshua. I know Gideon saw HIM. I know that He comes and goes, when He wants to and our Father Jacob wrestled with HIM. I know that He will come in and out of human affairs any time He wants to, and the more He comes the better I like it. I want you to know this, it doesn't change anything, because you are operating on Faith that can move without fear, but that doesn't relieve you of the responsibility of occupying the earth, and battling the darkness, and of establishing the

Kingdom, because this is your task as sons and daughters, but do it with your Faith and not defeat. Faith that He shall add such a victory as the world has never known, as He has already covenanted the seed that is to accomplish this. You are going to be happy to say as did John of Revelation, after he saw the things of Revelation, after he saw the Majesty, the Beauty, the harrow of events, and the reconstruction the victory, and then John just lifted up his face and said simply: Lord Jesus come quickly, even so come Lord Jesus. Meaning YAHWEH SAVIOUR come quickly; even so come. If any church has lost this Glory then I tell you that they have lost a large part of their Life.

Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers. His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the antichrists acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.”

Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White spirit-race known Scripturally as “sons of God”. By teaching these truths to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lor-

raine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.
