

# Is Divine Healing In The Atonement?

By  
**Dr. Wesley A. Swift**  
13th January 1965

# Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers. His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the anti-christs acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.” Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White

spirit-race known Scripturally as “sons of God”. By teaching these truths to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.

# **Is Divine Healing In The Atonement?**

**By**

**Dr. Wesley A. Swift**

**13th January 1965**

In our subject we are taking up the discussing of Divine Healing, is it in the Atonement? When we move into the areas of Bible History, then this is the history of God's people, for we are His Offspring. And this is the volume which deals with the relationship of the House of God, and His people. All of the things which have been said in Mystery, and all which have been said openly, wisdom which has been hidden in allegory which can only be understood by the guidance of the Spirit, wisdom which can be known only by the House of God is in the Atonement.

In the area of the records of this Book (the Bible), and in many of the records not incorporated in it, we have the patterns of Divine History. We have the areas which God intends to develop, and to carry forward for purposes in His Household. As we have cited to you in the past, in the days when Adam and Eve were placed upon the face of the earth we discover they were covered with; Shekinah Glory. We discover them as their Father who had begotten Adam in His image, had covered them with Light and Glory. And then put Adam into a deep sleep and formed Eve out of Adam, so that they might both be of one flesh. We know that they were radiant and they were glorious, and in such an hour they were perfect in their health because they were covered with the Light of God's Spirit. We realize that the world has seen the rise and fall of civilizations which had been involved in the defeat of Lucifer, who was defeated in the heavens and driven into earth. We know also from the writings in the Book of Enoch, and also from the writings in the Book of Seth, that some of the remarkable factors recorded were that even before our Race arrived, that Lucifer had been involved in warfare in company with some of those who rebelled with him. That in the course of their rebellion, and in their fighting, remember that there had been a time when filling up the sum total of wisdom and knowledge, that Lucifer had been highly intelligent, in the areas of his power. But he had set aside some of his sons to work in the laboratories of darkness, and we are told in the Book of Seth

that they brought together and brewed up, in the great kettles, the substances of earth, such as the grasses, and the things of the wild fields. And as they let them stand and ferment an Animalcule which was forming in them from the substances which were brought together were bringing upon the earth the areas of darkness and despair. Because as the protozoa, and new bacteria formed inside the cultures, and produced new protozoa, and new bacteria, viruses, and germs. So Lucifer brought into being, by mixing together, by forming and breeding together, bacteria and protozoa as he seeks to destroy the structure of God's Kingdom by wanting to integrate it.

In fact today we have even in our laboratories in Colorado great medical laboratories which are engaged in germ warfare. We are very carefully selecting strains of bacteria, and protozoa which we have set wild. And by breeding and intermingling, and forming new bacteria and disease germs we are producing diseases for which there is no area of protection against them. There is no area which has experimented to find ways of protection from the wild viruses we have made. Of course do not think we are the only ones engaged in this, for the Soviet Union is also engaged in germ warfare at this time. But note that the original germ warfare was started by Lucifer. That when he started this germ warfare, they had mixed and brewed together substances in the cauldrons which they referred to as sickness and disease which they put upon the 'humors of the night', or upon the mist of the night, and they would thus release these viruses and diseases, and thus scatter them. This was done before your Race was ever placed in earth, before the MOST HIGH ever established your Household in the earth. Lucifer in his warfare as it reached the Ancient Isles of the Sea, and the continents, in the struggles which took place, was making disease germs. This was being done by his sons, is loyal sons, in the laboratory of perdition.

We of today can well see who his loyal sons are because at this time even, they are known, but at that time they were all Asiatic, and African and other types of Jews, but they were working on germ warfare. This type of warfare produced diseases and sickness new in the earth. More than this the patterns of destruction were always the ways of Lucifer. He is the god of destruction, the god of darkness. We are told that he sends forth demon

forces to obsess men. We are told also under the doctrines revealed unto Enoch that Satan could also send forth devils. And many of them were invisible, and many were visible. But they sought always to entrap men, to cause injury to their bodies, and for diseases to beset them.

Thus in the rebellion of the Archangel who became a devil, we find that Lucifer in that rebellion became very, very busy creating havoc for the human body. He has been behind every virus and every sickness, and every evil disease. He has been in every area of catastrophe and trouble. And with his gremlins of evil he has set up the conditions in which men find themselves caught by accident or by sheer condition, in areas of pain. Now:...when we find Adam and Eve being placed on the earth. They were the Noble Household of THE MOST HIGH GOD, the first image of His Being, and they walked the earth in Immortality, surrounded by Shekinah Glory, and by the God of Light. We understand that these sons of Lucifer then came to Lucifer and said: we cannot stand the Light of Adam and Eve. Lucifer said: I am working on that, for if I can bring about their fall, if they will join themselves to our race, they will lose their Light and they will be subject to our destruction, and we shall hold them prisoner forever.

Well: the capacity to remain immortal was dependent upon the sources of 'Immortality' which was the fact that they were spirit of God's Spirit, and the Light and Shekinah Glory of that spirit covering their physical bodies and this left them utterly immune to the sickness and disease provided by Lucifer. Because the element of the Light of that radiant Aura not only destroyed the disease germs and the sickness which came upon them, but also the spirit which illuminated them, guided them into avoiding the areas of catastrophe and judgment, and accident and trouble. But Eve was seduced by the source of the Luciferian attack, and then as she lost her Light, Adam also chose to lose his, and sowed his seed into the Serpent woman. Kali, the Mother of the Ganges, the wife of Lucifer, the consort of evil.

Then God stepped back into the Garden again and called to Adam and Eve, but Adam was hiding. Hiding because he did not want to face YAHWEH (God) because he knew he had violated Divine Law. Finally

God brought him out from behind the trees where he was Hiding and tore off of him the tunic covering of Lucifers Kingdom. This was a peculiar tunic, a golden tunic like as to the tunic worn by Buddhist Priests of today, it was the woven golden tunic of the Fig Leaf, not the typical leaves of the tree, but the fabric was the woven golden tunic of the Fig Leaf. God, then, tore this tunic off of Adam and covered him with skin. He killed the necessary sacrifice and covered both of them with skin., coated them with skin. But Adam had now lost his Light. But God had said when He sent him forth in the beginning that HE would redeem him, that He would save him, that He would carry out the activities He had intended and promised before the foundation of the world. He had declared from the beginning that the race when they came under the seduction of Lucifer, would fall, but that HE would redeem the race, and set them in order. And so as He had declared that He was the Lamb Slain before the foundation of the world, He revealed this also unto Adam and declared it to him as well. He said: out of the woman shall come one who is my own embodiment who shall crush the serpent, who shall bruise his head. I shall not let the Race be destroyed. I shall cleanse the womb. I shall establish for me, a Household, and it shall be through you, and through this Adamic Household. Thus from Adam down to Seth, 7 gestations of the womb delivered by the Law of the Scripture as having cleansed again the womb, we see this declaration. And thus we see that under this declaration that God promised the cleansing of Adam and Eve, and He promised the establishment of this His Household, His Race, the only white race upon the face of the earth. And as we come into this Book of Genesis to where it says: that Adam begat Seth, it doesn't say anything about the other gestations which were between Cain and Able, and Seth because they were involved in all types of catastrophes, and none of them were sufficient for the building of God's Kingdom.

Now: we have Seth, a direct descendent of Adam, and now Adam says of Seth; I have begat him in my own image, and after my own likeness. But we discover that having lost the Light, now not enveloped in that 'Light' would come constantly sickness and disease. The Scripture says: 'In the day that thou eat, thou shall surely die'. Of course this day is like other days, it was in error, but it was in the days of his lifetime that Adam would know death. Whereas Adam and Eve had Immortality, now Adam

would know death, and at that he was 900+ years old before he died, but the fact remains that he was to know death, and the areas of his pain were well marked.

In the Ancient Book of Adam and Eve, then Adam comes to the gates of Eden and he cries out unto God to heal his headache. Adam had a terrific headache and he wanted to be heard, he wanted to be healed, he wanted God to do something about it, because Adam knew that god was his Father. And God said: In 5400 years, I will do something about that situation, for that is when I shall consummate the Atonement, on the Cross of Calvary, your Atonement. 5400 years from now I shall come, embodied in the flesh, and then I shall make the Atonement for you. Then Adam I shall heal thy headache, and also thy sins. Of course this was in retrospect, it was but a symbol of the problems that beset Adam.

God who heard the prayers of His people throughout the areas of time of the Old Testament had many times healed the sicknesses of His people. They were told, especially in the days when God gave Moses the Law, in the hour when there came down upon the Mount Sinai, the fullness of God with 10,000 of His Saints in judgement, and He bestowed upon His people the Law, and He told His people: if thou will diligently hearken to the voice of the LORD thy God, and do that which is right in the sight, of HIM, and give ear to His commandments and statutes, then none of the diseases which came upon the Egyptians would come upon them. 'For I am the LORD who healeth thee.' If you keep my Laws, and my commandments then none of the sicknesses which came upon the Egyptians will nigh thee.

This was a mighty declaration, and it was hinged upon the, if, of keeping the law. But the law was only an area of substitute until the law of the Spirit came into being. By this process we discover that the Unction of God also provided an immunity to Israel. Remember that when the children of Israel went out of the land of Goshen, and down to the Red Sea, that the Shekinah Glory was over them. 3 million people without one lame, or blind and without one single catastrophe went out. He was with them, before them, behind them, and above them, and they went out these children of Israel in perfect health. If you granted that many people

together for say a Basket Ball, or some big sports even, you will probably get a few heart attacks, or something wherein you would need a doctor. This is true even for the largest of the Football games today. But the pattern is that three million people went out of Goshen, and they walked to the Red Sea, and through the wilderness, and there wasn't a sick or a blind one in the group. Because God said: 'The LORD thy god is here, and His presence can heal thee.' so we have the areas of healing found in the Old Testament. In fact under the direction of the Scriptures we discover that the 103 Psalm says: 'Bless the LORD O my soul, and forget not all his benefits. Who forgiveth all thine iniquities, who shall heal all thy diseases.' So again men could call upon God, and we discover that the Psalmist and Moses as well as David cried out unto the LORD and He healed their Diseases.

In fact at the time when God took Moses, then Moses had passed his three score years and ten, and was running on 4 score, but the LORD took him. Remember this now, Moses was taken, he did not die, because he was with Elijah, and on the Mount of Transfiguration with Christ. Therefore he was not in the Netherworld waiting for Christ, but had been taken into the heavens as had Elijah. And it said that when he left at 82 his natural force had not abated, he had vitality, virility, and he was strong, and he was a vital man. God had healed him, taken care of him, and provided for him in this matter.

We discover that under the processes of the Atonement that many who discussed the Atonement knew that it was the Restoration of Everything. First the Atonement was going to place 'at one' all the House of God. It was going to place 'at one' all the House of Israel. Some may not be conscious of it, but still it was going to be effective, for it would place 'at one' all the House of Israel. And all through the Old Testament until that Atonement came, they worshiped and served, through the Tabernacle, through sacrament, through offerings, but they were to serve God. They served Him through the Priests of the Levites, and through the Law, and through the ordinances, and through the areas of the Tabernacle and the Temple. But they waited for the coming of the MESSIAH. And Israel sang of the Greatness of Our God, to the Majesty of His way. The Shekinah Glory of God was manifested as he showed Himself unto His

Prophets, as He appeared in the service of the Temple 'High and lifted up' the Shekinah Glory became visible unto Israel. But under the Prophets they were given a vertical dictation concerning the things that were involved. The 53rd., Chapter of Isaiah said: 'Who has believed our Report? To whom is the arm of the LORD revealed?' Then we are told: 'He was wounded for our transgressions, bruised for our iniquity. The chastisement of our Peace was upon HIM, and by His stripes we are healed. BY HIS STRIPES WE ARE HEALED. Therefore in the Atonement was the total coverage of sin, sickness and death. Now this was in the Atonement, and it was anticipated as being in the Atonement, even before Christ came. Now: in the hour of Christ's coming we are told that the Angel spoke to the Virgin Mary, telling her she would be with child of the Holy Spirit. And this child would save His people from their sins. He would take the throne of His father David, and He would rule. He would save His people from their sins. Gabriel said as to this Messiah:...He would save his people from their sins. And when Christ came who was God above all because the fullness of God (spirit) dwelt bodily in HIM, therefore as He walked along the Sea of Galilee, as He preached the length and breadth of Palestine. We have the facts of this case: He went about all Galilee, He taught in places of their assembling, He preached 'The Gospel of the Kingdom', and He healed all manner of their diseases and sicknesses.

Now: this was not just an idle statement, and it isn't just placed here in Scriptures just once. For we discover that in the Book of Matthew, everywhere we turn inside the structure of this Book we find this same story. For instance in the 9th chapter we read that Jesus went all about preaching the Gospel of the Kingdom (Matthew 9:35). This then is the Gospel we are preaching which is coming forth in the Latter Days. The Gospel of the Kingdom is the story of the triumph of the Kingdom, of the victory of the Kingdom over the powers of darkness.

Thus in preaching this He healed all manners of their sickness, and their diseases. We point out to you the records in the Book of Luke, for here is an excellent testimony in the areas of Divine Healing. Because Luke is a Doctor, a beloved Physician, and now not to many doctors may be called a beloved Physician, but this man was called a beloved Physician, a good

Doctor. He applied himself to the knowledge of herbs, and to the areas of medicine, and he was a good doctor, and he became a disciple of Christ, and most interested in the things which occur. And he talks about the fact that Jesus went about all Galilee, and He preached the Gospel of the Kingdom and He healed all their sicknesses, and diseases, and they brought unto HIM crowds of people who were sick, or had something wrong with them. And he cast out demons and devils as He healed the sick, and of course, raised the dead. In fact to show the acuteness of how HE was aware of every last individual, although the throng crowded around him, we will give you another example. But first we do have the records of HIM healing the lepers, and we have the story of the 10 lepers and how 9 of them never even came back to thank Him, only one came back, and He said: were not 10 of them cleansed, where are the nine? But He also opened they eyes of the blind, and unstopped deaf ears, and without a question this was all within the miracle power of God. This was no great wonder, for God, He had made the heavens and the earth. He had put together the Universe, and put together every living thing or form. This was an act of the Most High which could be alone, done in His Righteousness and His Glory. And so He healed the sick, and one day as He was walking along, and crowds were coming up to Him then Jesus said: 'Who touched me?' There was a woman who for 12 years had an issue of blood, and she had spent all her livelihood, all her resources, all her livelihood on Medical expenses, and now she came to Christ. And she came to Christ and she said: 'O Lord, if I could only touch you if I could only touch the hem of your garment, I would know I would be healed. I am the one who reached out to touch you.' And Jesus said: 'Daughter, you don't have to be sorry, thy Faith hath made thee whole.' Luke records this, records the fact that even the touch of His garment, as the virtue went out of Him, that He was familiar with each, and every impact. That He knew each and every element of energy and power that passed through Him. But He healed the sick, He raised the dead for this was His work.

What was He, YAHSUA, here for? He brought glad tidings of great joy to the House of Israel. He was here to speak to His Household, as we speak of what He was to do. We turn back into the Book of Matthew and we see that He called His disciples and He gave them power to cast out unclean spirits, and to heal all manner of sickness, all manners of diseas-

es. He was here to empower the establishment of the first organizational foundation of the great new wave to rise in Israel, His Church. He was here also to carry out the salvation of His people. He was here to redeem them, and in the culmination of their recognition of Him, and the firmness of it, and it now being implanted in the minds of the disciples and the people who were to come after Him, to establish this tremendous vehicle which was His Church, which would sweep through the nations of His Kingdom and was to remain a most powerful, spiritual influence. This accomplished, then He ascended into the Heavens. For the Atonement was to transform the people in an amazing way. Remember after His Resurrection that He talked with the many, He was seen with 500, He talked with the disciples and they talked about the things of the Kingdom. In fact we discover in the Book of Acts that as He talked about the things of the Kingdom, and He talked of things that they must do.

Now: as to this time we have had much in the areas of History. We have had the development of the House of Israel, and their Prophets, and the History unto this time. We have had the formation of His disciples, and we have had the people who followed and who hung upon every word that He said. And then after His Resurrection and the manifestation of His Glory, after the disciples had witnessed this, then He said: Now they can be trusted to carry out my purpose. Thus we discover in the first chapter of the Book of Acts, that this is true. And He therefore talked to them about things of the Kingdom. And after He had showed Himself alive, and after His passion, with the many infallible proofs which had been seen of course by all those who had been assembled, and so forth, then He said remember this: Ye shall receive the Holy Spirit, and ye shall be witness unto me, both in Jerusalem, and Judea, and Sumeria, and to the utter most parts of the earth. But to do these they must receive the power of the Holy Spirit which was promised unto them.

In the 14th chapter of John., then Jesus said: I will not leave you comfortless, I will send upon you the Paraclete. This is actually the conscience intelligence of the knowingness of God. And He said: when the Spirit of Truth is come, He will bring you to the knowledge of all truth, bring to you remembrance, and He will be the empowering force. You are the people who can receive it, the world cannot receive it, but you can receive

it. And then He told them to go to the city of Jerusalem, and wait there. He said: tarry there until you (his disciples) be endowed with this power from on high. Then we are told that a huge cloud was approaching the Mount, and in it was the mighty craft which God rode in. He then entered the cloud, and as He entered, two men stepped out of the cloud and said: Now, don't just stand there gazing at this cloud. You go back down to Jerusalem and do exactly as He told you to do. Wait there until you will be endowed with power from on high, because this same Jesus is going to come back one of these days just like you saw Him go.

Thus we read that the disciples returned to Jerusalem from the Mount of Transfiguration, which is called Olivet, which from Jerusalem is called a Sabbath days journey, and when they came to Jerusalem they went to the upper room where abode Peter, James, and John and all of these others listed, and there 70 people were gathered in that upper room. They were praying and discussing and waiting for the power of God. And when the day of Pentecost was fully come, and remember this happened on a Feast day, and it has been linked with the day of Pentecost every since this acknowledgement of the power of God. But when the day of Pentecost had fully come they were all in one accord, and all in one place. And suddenly there came a sound from heaven as though a rushing of a mighty wind. It filled the whole house in which they were sitting. This was the official outpouring of God's Holy Spirit. This was the re-entry of Christ unto them, for He had told them: 'I will send the Spirit, I will come unto you.'

Now: of course there was phenomena. There was as much phenomena in the Shekinah Glory as it appeared, for it said: there was the sound as of a mighty rushing wind, and it filled the whole house, and there appeared unto them cloven tongues like as of fire, and it sat on them, just like the fire on the burning bush back in the days when Moses came to the bush. Whenever the phenomena of the unction of Divine Spirit approaches any substance, whether it be human flesh, or whether brush on a mountain, it glows with the Shekinah Glory. It radiates with the energy and the power of it, because the power of Spirit is greater, and more manifest then the substance created. So they were reeling under the power of God. The cloven tongues upon them, showed that they were filled with the Holy

Spirit. And they spoke in other tongues (languages) as the Spirit gave them utterance. There were many men in Jerusalem who were of this stock of Israel, they came from England, Germany, and all spots in the western world where Israel was now found. And each and every one of these men spoke in the language of the land where each man had come from, and all of them spoke Hebrew as well. If this had been merely a matter of communications they could have listened to the message in Hebrew. But suddenly as Peter, James, and John and these others began to speak, they spoke in the tongue (languages) these people were used to in the land from whence they came. And the people said: what a mystery, are not these men all Galileans, and yet we hear them speak in our own tongue? It was tremendous trappings of the mighty outpouring of God's Holy Spirit. The Atonement was consummated, the children of the Race were not to receive the Holy Spirit of God. There was no limit as to what the Spirit could accomplish in the program of God.

Now: the Apostles had the gift of healing, for Jesus had said: I am going to give you the gift of healing, power over all demons, and power to raise the dead and heal the sick. He said: greater things than I am doing, you are going to do when., or if you believe. But actually the words were: WHEN YOU UNDERSTAND. Because now was the area of the development, now of His Spirit upon them which would bring them this knowledge. And so they had waited, and then the day of Pentecost was fully come, and they were all in one place. And the first initial outpouring of the Holy Spirit descended upon the New Testament Church which had been established by Christ.

Now: we discover this Holy Spirit outpouring made a tremendous difference. Peter who had been so afraid of being identified with Christ before the Crucifixion had been so brave when he cut off the ear of the servant of the High Priest, and then when God didn't deliver the whole situation He became fearful. But he was not the same Peter after being filled with the Holy Spirit. Now he was a mighty and powerful orator. And thus we see Peter and the other disciples rise to preach and everyone was amazed. Peter said: Ye men of Judea, and all of ye who dwell in Galilee and all others here today. And as he preached of the things concerning Christ and the establishing of the Church, the Scriptures tell us that The LORD

added to the Church daily such as should be saved. Here was a very hand picked situation, for out of these thousands of people the Holy Spirit was calling everyone of the Household of Israel. The Holy Spirit was calling every one of those who were true Israelites. There wasn't a Jew among them. Then as they proceeded later to go down to the Temple and speak, there was a man seated outside the Temple who had been carried and placed there every day since a youth. In fact since he had been born he had been paralysed in his legs. And this man said: 'Alms'. How often had he cried for Alms as the rich scribes and Pharisees had passed by him. Oh, maybe he received a coin now and then, but here he cried out to Peter and John. And Peter said: silver and gold have I none. Yes the man had heard this before also, but Peter then said: 'AS I have, I give to thee, in the name of YAHSHUA, Jesus The Christ, rise up and walk'. And he took the hand of this man, and raised him up. The man found the use of his legs and he ran into the Temple leaping and shouting, and the people fell back in amazement. This is the first miracle recorded in the Book of Acts. But this Book of Acts records many, many miracles. We are told under this direction that at the hands of the Apostles were signs and wonders following them. That they were all in one accord on Solomon's Porch, and the believers were added to the LORD daily as the disciples were preaching on the outside of the Temple. To the disciples were brought, the sick, and the lame, even some brought on couches so that even the shadow of Peter could fall on them. So great was the power of the Church at that time, the Church, the Spiritual centre of the Kingdom.

We are told all through the Scriptures about this great power which came on the Church. Why shouldn't the power be on the Church? There had been an area of prophecy which related to this, for in the writings of the Prophet Joel, it had been stated that God was going to restore this power the parasites had taken from us. One of those things taken which He was going to restore was the outpouring of His Spirit when He put His life, and vitality upon His Kingdom. He told of how, then, His young men and young women, and his old men and old women were going to dream dreams and see visions. He told of the power which was going to come. And as Joel prophesied of these factors, we discover that Joel was very cognoscente of the fast and tremendous work that was going to be done by God. It says: 'Be not afraid ye children of Zion, for HE hath given you

the former rain moderately, and HE will cause to come down, for you, the rain, the former rain and the latter rain in the first month.' Joel 2:23.

As Peter arose to speak he said: this is 'that' spoken of by the Prophet Joel. This was the former rain alright, but it was not the latter rain. This was the former rain alright for in His Atonement God had consummated the areas of Judgment. And had not only redeemed Israel from their sins, but would also heal their diseases. We are to discover that under the impact of what he had declared that the Church for 150 years had miracle working power. This power included the raising of the dead, in fact one man fell asleep and fell out the window while they were preaching, and they went out and raised him from the dead. We are told of this also in the Book of Acts. Of course the fellow didn't fall asleep after that when he was in Church. But they healed the sick, they raised the dead, and with Great Power, the Church performed. And the word was spread through out the length and breadth of the land as to the power of the Church.

Of course the Jews were worried about this, and they tried to stop this power, and they fought back, but they couldn't keep back the story of the 'powers' of the Church. After the first 150 years of the Church, and remember that there was no great communications system such as we have today, nor written Bibles either. Remember also that the church in Rome became one of the first to come into confusion because the Jews as they could not control the church, then some joined the church to destroy from the inside. There was still in this hour areas of wisdom still with the church, but now the Jews were standing inside and disputing the Scriptures and contending the doctrines and were seeking to duplicate the areas of the Scriptures. And by the time of 250 years after The Christ, the Jews were still in those areas of trying to control and consolidate areas of doctrine. But the Holy Scriptures as they had them in Rome were being slowly copied by men who wanted to multiply and preserve the areas of Scripture. In fact for 600 years they were taking such Scriptures which later they canonized and copied them, and copied them. Monks sat for hours and laboriously copied, in their own hand writing these areas of Scripture. Just think of the hand written Bibles of men of such devotion to the Word of God. Even though as little as they may have known of

what they copied, still in their devotion to it, they copied all their lives, these Scriptures so that we might have the Scriptures which we do today. Still there was no doubt about the pattern of the Church, for... the Church was alive. And in the areas of Britain where the Church was planted on the Hides of land owned by Joseph of Arimathea, and in the Great Abbetrys of Britain, then the Church was beginning to move out of Britain and into Scandinavia, and into Central Europe. And even in the days of St. Augustine, as he went up to Britain to evangelize, he was to say:...These people are Christians, they have Churches, and the Word, we don't have anything to bring them. The pattern of the church was that it had moved into the areas of carrying forward the ordinances, and the areas of the Sacrament. It was a powerful and Elite Clergy, but there was now no great manifestation of Divine Power. In fact in the days of Martin Luther, in areas where in the establishment of 'The Word' was maintained, then was also heard; 'the just shall live by Faith'. And they had the gift of wisdom and the gift of discernment, and they stood fast by the Scriptures, but there was no miracle of healing, no phenomena of prophecy, and the areas of the Church were battling through with Luther and with others to maintain the areas of the doctrines. In the Time of the Wesley's, these brothers were beginning to discover that 'The Holy Spirit', this Abiding presence of God wished to establish this area so that he could heal the sick and raise the dead. John and Charles Wesley taught that a person might be healed if it was God's Will, and they asked for His healing. And they felt that they should lay hands on such persons and pray. The Christian missionary alliance was then to come along and cite that healing was in the Scriptures and in the Atonement as it well was. And that all who wanted Christ to heal them should come forward, and they would lay hands on them, and pray for them, and they would be healed. And of course as the various churches came to the Light of the knowledge that healing was in the Scriptures, and they had gotten away from the areas of disputing what was in the Scriptures, and what had been canonized, or what they would be distributing, or circulate then they moved forward in that area. Then from the days when the distribution of the Scriptures, as the Bible, then men everywhere were finding the Scriptures. And peoples of Britain were then carrying the Gospel to the ends of the earth. They carried the Gospel to their colonies, and the nations such as Germany and Belgium were also carrying the Gospels

everywhere they sent out their Evangels. All over, where ever the Western World was located, it became Christian. It became Christian through the love of the Word, through the preaching of the Word, but still there was, no Latter Rain.

Then we moved into the period of the 1900's and we were starting into the Latter Days. We were coming up to the great stone of measure in the Pyramid, The Great Step, and as we watched the measures we were to discover that people were ardently preaching the Gospel. They were sending out the Evangel and winning people to Christ. They had the entire Race learning about Christ, from their Mothers knee. They had read the Scriptures, and re-read the Scriptures, and still never came out with the whole vitality of the Word. A few were preaching here and there that the 'healing' was in the Scriptures, that it was in the Atonement. And many were now calling for the Holy Spirit. And at this time there descended upon the church a great wave of healing. As we have said: The Christian Missionary Alliance and many others had the great gifts of healing. There arose the areas of Pentecost within our time, and then other movements came forward which predominated, and they dwelt on the miracles of the Scriptures. They wanted to see the miracles again, and then they became more concerned with the miracles than they were with the gifts of healing, or the wisdom of the gift of Discernment, or the other gifts. But they wanted to have these gifts.

Now: do not think that this was alone in their areas that this had come forward, for God has suddenly been pouring out His Spirit, the same as He is pouring it out today on His sons and His daughters, on His young men and women, and His old men and women, and He is now pouring out this 'Latter Rain'. Thus we are now in the period of the Latter Rain, and it is going to continue until the entirety of 'The Church' is filled with the Glory of God. He bestowed upon men., gifts, and He tells us in the Book of Corinthians these things: He said: I want you to understand that there are a diversity of Gifts, but the same Spirit. There are differences of Administration but the same LORD. (YAHWEH-YAHSHUA). And then: even though differences of operation, still they all work for the consummation of God's Kingdom. But the manifestation of The Spirit is to give to everyone, a gift of the Spirit, which will profit all. For to one is

given by the Spirit the word of Wisdom, to another the word of Knowledge, BY THE SAME SPIRIT. To another; faith, by the same Spirit, to another the gift of healing., by the same Spirit. To another the working of Miracles, to another prophecy, to another the discerning of spirits, to another divers kinds of tongues, and to another the interpretations of tongues. But these are all manifestations of the self-same Spirit. For the Spirit dividing to every man, severally at the Will of the Spirit. I Corinthians 12:11.

Now: there is no question about the fact that God has given many men the gift of healing. I believe that every minister who believes in Divine Healing becomes a recipient of healing. And the gift of healing moves out of His Church as it should have, even through the dark ages, and up through the Renaissance it was moving, although it was not discerned. But it is here now and it has been for some time. There are areas Scriptures which back this up, for Jesus said: if any two of you agree as to touching anything under heaven, you can ask, and it can be done. He also gave unto His disciples, power, but then after Pentecost they had power unlimited.

The areas of unlimited power belonged unto His Disciples. And now here in the Latter Days, and in this period of the 'Latter Rain' which is now upon Israel, then God says: I will send this upon Israel, and it will come by the media which would be the proper place for it to come, The Church. For the Church is the body of Christ in the world today, and therefore we are of Israel, we are Israel, and the Church in the nations of Israel is the body of Christ in the world today. We are told this in the Scriptures: Ye are the body of Christ, and the members in particular. And God has set some to be ministers, and Apostles, and Prophets, and teachers and they bring forth miracles, and healing, and help for governments in diversities. But not all are Apostles, or Prophets, and not all have the gift of healing, or the power of Miracles. Not all have these gifts, not all speak in tongues (languages) of God, no but, each one of you have some of these gifts.

Now: we may say that under this instance that the gift of healing is a very vital gift. We have experienced many instances where we have prayed for

people, and they had Faith, and were healed. One man I remember about 20 years ago had a crushed back, and would have been permanently in a cast, and we prayed for this man, and in three days they took the cast off, and he was perfectly healed, and still is to this day. He was hurt working in a mine, and this was one of the first experiences we had of Divine Healing which went out from our praying. Although we had witnessed cases of Divine Healing, such as watching goitres melt away, as though struck with a broom. We had watched a man who fell off the Sea Wall in Santa Barbara who had a broken back and was in a cast, and he was healed, and they took off the cast and we have witnessed this. We saw a man struck by a street car, and the blood was coming from his jugger vein, and he was prayed for, and the blood flow stopped. When the ambulance arrived they wanted the man who had lost the blood, but he was whole. We have witnessed all types of miraculous healings, there has been all kinds of healing, but do not think for a moment that we do not recognize the service of Doctors of the various branches of healing, and the fine work that they are doing. There are many cases in the Scriptures where people reached the areas of extremity and there was no normal area of procedure, they were suffering, and they wanted to be healed of there sickness, and God administered to them, and healed them of their sickness and diseases. What happen to them? Take the Apostle Paul, he was healed upon many occasions although he had blindness in his eyes, and he kept writing bigger and bigger as he went on through his life. But he lived to a virtually ripe old age, and he talked about the coming of the LORD, and the things he was going to witness, and then finally he said: after I am gone write these things. But in his lifetime he said: I am fully aware, that I have a house in the heavens, a spiritual house, and if this one be dissolved my consciousness will go into that spiritual house not made by hands. But I don't want to die, I just want to put on my Light. I just want to be swallowed up in Immortality; I just want to do that.

Then in those hours as he said: 'They are alive' and here he thought he would be alive as he wrote this. 'We who are alive are not going to bring with him all the Elect who have ever been in the earth, and he is going to raise the dead, and transform we who are alive and remain. In a moment, in a twinkling of an eye, he is going to envelope us with Light, and we are

going to see as he sees, and knows, and we will be as Immortal as The Christ.'

Now: yes, Paul died, and was laid away. Every individual healed by Jesus with the exception of John, is dead and buried. But they were healed during their lifetime. When they were under areas of great pain, they were healed, when they called on the MOST HIGH GOD for assistance, in that time and manner. But the pattern is that all through this period, they have been passing into the plane of spirit, and now we have arrived at the 'Latter Days', and at the time in those Latter Days, for the 'Latter Rain' outpouring, and in this period of the Latter Rain outpouring there are now millions living who will never die. And there is going to descend upon you a quickening of your consciousness as well as your mortal body, because God says:...I am going to do a short work of Righteousness, and then I am going to come. He said: I am going to present unto ME., a Church which doesn't have a roof over it. A Church which doesn't have a spot, or a blemish, so great will be the healing work of our God.

This work will arise through His Church, through His Ministry, arise through people who call for prayer, call for activity, call for His Truth. For even in this hour one of the greatest waves of development is that the Gospel of the Kingdom is again being preached. It has been preached through out all this area of time, but now it is going through the area of a vast expansion of moving out. People are coming back to the consciousness of who they are, and what they are, and they are being called to the recognition as to the difference in the sons of God, and the rest of the world. And they will recognize in this day of the Latter Rain., this difference. He said: the former rain was by measure, but now I am going to pour out upon my sons and daughters this 'Latter Rain', and there will be no measure to it. This is the declaration of the MOST HIGH GOD.

We turn to the Book of Malachi 4:2., and there is this statement concerning the Day of Messiah: 'Unto you that Love my name shall the sun of righteousness arise with healing in his wings.' 'And ye shall go forth and grow as calves of a stall, and ye shall tread down the wicked; for they shall be as ashes under the soles of your feet, in the day that I do this.' Thus saith YAHWEH OF HOSTS.'

So in this climatic hour when the triumphant hour comes, as Christ returns, which is soon to be upon us, then He will come in as the LORD of Righteousness with healing in His wings, and he has promised for that time, the perfection of His Race, His Household in that day.

In his hour, as were the Apostles in their time, we are cognizant of the fact that God has bestowed upon many of His ministers, the gift of healing. He has bestowed the areas of prophecy, and the gifts of discernment, and some have one gift and some another. God says: I give this gift to one, and that gift to another, but the Holy Spirit has descended upon every last believer, and it will come upon all Israel, because God hath ordained it. But these are the gifts of the Spirit, and therefore we can say that healing is under the Atonement. One of the things God did in that Atonement, He made altogether a complete and perfect sacrifice for all the transgressions. He restored back to us the right to life, and He is coming to restore upon the entire Household the fullness of Glory, until the Scripture will be fulfilled in which He says: arise and shine thy light has come, and the Glory of God has risen upon you. And we shall see forever, then no more tears, no sorrow, no pain, and no anxiety.

As these things come to pass we may by Faith know that what was happening in the early days of the Church can be duplicated, and a whole lot more, and it shall be done for this is the hour. We do not think that this calls for big shows held down in the Shrine Auditorium or tremendous mass meetings where the whole meeting is given over to mass healings. Some of these men with gifts of healing may be alright but they also may not be given any area of discernment in other areas of Scripture. But the fact remains that we continue to pray for the sick, we will continue to try to answer the cry of the person who comes, and we will pray for this one, and we will see more manifestation of this, because now, it is the whole Gospel which will be preached.

It is the Gospel of the Kingdom which preaches the advocacy of the purposes of God. In this day the demon spirits will be cast out, and no longer will they mongrelise your Race. No longer will they integrate your society and cause Faith to be swept away from the earth. Because God

has lifted up His voice, He has raised up His ministers and has called for His Elect.
