Patterns of Revelation

By

Dr. Wesley A. Swift

We are thinking of the patterns of Revelation, of the day the angel came to John and said: ***"Come, John, and I will show you the great whore that sitteth upon many waters, and with whom the kings of the earth have committed their many fornications."*** John discusses this very thoroughly, and says: *"He carried me away in the Spirit, and I saw a woman sit upon a scarlet-coloured beast, full of names of blasphemy, having seven heads and ten horns."* This is mystery Babylon the great, and further in chapter 17 of Revelation, John continues: ***"I saw the woman, and she was full of the blood of the saints (believing offspring) and the blood of the martyrs of Jesus The Christ (Yahshua), and when I saw her I wondered about her. And the angel said unto me: Wherefore didst thou marvel? I will tell thee the mystery of the woman. The seven heads are the kingdoms on which the woman sitteth. There are seven kings, five are fallen, one is, and one is yet to come; and when he cometh he must continue a short space. Then the eighth is to come out of the seventh."*** And he talks about how these ten are ten kings who have no kingdom as yet, but will rule with the beast system for one hour in the attack of the beast upon Yahweh's (God's) Kingdom.

And Then Comes The End of The Age.

Regarding this woman mystery Babylon, you are speaking symbolically of something which is *inside* the Kingdom of Yahweh. And also within His Kingdom we have a status of society which is called **"The New Jerusalem"** which is the great city of The Most High descended down out of heaven through Abraham, Isaac, and Jacob and to our time. Our book of Revelation tells us that the New Jerusalem is composed of the people of the twelve tribes of the children of Israel. Then we have the satanic beast or the city of Lucifer, "Mystery Babylon the great, the mother of harlots and abominations of earth".

As the city of The Living Yahweh is made up of His offspring, His household (who are *Elohim* or His children), so also is the power and the majesty of the Luciferian city of mystery Babylon made up of the offspring of Lucifer; and the power of their viciousness, their evil, and their corruption is well seen.

Therefore we have two cities, one the city of Yahweh, and the other the city of the devil.

It makes one think again of the book of John in which the enemies of Yahshua (Jesus) were arguing with Him and trying to modify His approach to identifying them. They say: "***Look, we have one father, even god, so we are brothers to you.***" But The Christ said: "***Now, if God were your father, you would love Me but you are of your father the devil, and the lusts of your father you will do. You cannot even understand --- My speech because you have no spiritual capacity for understanding. You are full of this area of destruction from your father. "***"

So we look at Revelation again: "Seven kings, five are fallen, one is, and one is yet to come." The power of the beast. (world order) is two fold; it is not just ecclesiastical with all the power of darkness, and all the forces of evil which are anchored, of course, in ages past, even before your Race came to earth. There was Buddhism, Hinduism, Yogism, the backgrounds of all the patterns of darkness that we see sweeping out of Asia and, we find as well, the devil worshipers of Africa. All these powers are a part of babylonianism --- false religions and pagan philosophies; and these with their false standards of immorality, degeneration, and depravity are the process of the children of evil and the background of the household of evil. After all, the program of Lucifer's kingdom is a world order, and this is against the program of Yahweh's kingdom. There is, then, the system of Yahweh's Kingdom, and the system (or world order) of Lucifer's kingdom. The sum total of the world order is in absolute opposition to the Kingdom of The Most High.

Sin is a violation of Divine Law; and Lucifer operates under this violation. Therefore as we turn to mystery Babylon the great, the mother of harlots and abominations of earth, we learn she is guilty of the blood of

all the saints and all the martyrs who have been slain in Christendom upon the face of the earth. So we refer to the Scriptures and find that these seven mountains are seven nations or kings: (1) Egypt, (2) Assyria, (3) Babylon, (4) Medeo-Persia, (5) Greece, (6) Rome. At the time of the revelation to John, Rome was still in existence; so five had fallen, and "one is" was (6) Rome. The seventh was yet to come, and the eighth would come out of the seventh.

Now, the taking over by chicanery and the movement into the structure of society, and the control of these empires was a part of the riding of the beast. The beast system is a deceitful program seeking to rule the nations and in their program for the world, at the same time to level the entire assault and all their attacks upon the Kingdom of Yahweh. So the seventh, in the time of the migrations of the tribes and their settling into their allotted places in Europe, would come out with a great attack upon Yahweh's Kingdom. Thus this would be the hordes that came with Genghis Khan. They conquered the areas of Samarkand and China, came across through Persia and hurled themselves into an attack against Israel in Europe for the "one hour". They were basically attempting to destroy Christian civilization and the treasures of Christendom, and they did all this in league with the powers and forces of darkness. Organized Jewry was the power that opened the doors of Europe for Genghis Khan and his marauders. We want you to realize that, again, organized Jewry and the sons of Babylon are ONE AND THE SAME. The Most High leaves this fact so well marked. The hordes of Genghis Khan almost conquered the White race and their civilization, but this wound to the beast system upon which the woman rode was the striking down of Genghis Khan by our Father. This period ended as the fallen satanic warrior was carried back to Lhnaas to be buried.

It appeared for awhile that there was no beast system that Jewry (mystery Babylon) rode upon, but still the eighth (world communism) was to come out of the seventh. Thus, world communism bolshevism) actually took over the areas of the Russia's which Genghis Khan once possessed and out of which his pillagers had come, and once again spread out to control that region. This satanic philosophy seriously moves into the Christian and other nations, seeking its program of world conquest. It remains as

the eighth and last empire upon which the woman rides, upon which the powers of darkness and forces of evil seek to move with great power.

This eighth beast and the woman on the back of this world system proceed with false doctrines and pagan attacks upon the true religion, and they are economically involved as well. For economy has been one of the great weapons of mystery. Thus the onslaught against Yahweh's Kingdom is economic as well as religious. Under these circumstances, The Spirit of The Most High again speaks to John: ***"Take a good look at this woman for she has become the habitation of devils and the hold of every foul spirit and ever), unclean bird upon the face of the earth. "*** Now, we know the Jews are devils because Yahshua said they are. We know that mystery Babylon is their habitation and that they are in the economic field as well. The Christ says to you: ***"Come out of her, oh, my people, lest you be partakers of her evil deeds and her sins!"*** The kings of the world have partaken not only of her sins but economically they have partaken of her power. Then The Messiah explains the design and usurpation of power by mystery Babylon: This is the organization of every trade union and business they can absorb, the policy of establishing control of all money systems and of gold, silver, and jewellery while harnessing practically all production in the entire world. At the same time they move out economically to dominate and to gain control of the entire world.

We have the words of John in his second epistle to the Elect Lady and her children, for he says these people who deny Yahshua is The Christ are antichrist. So you do not take-them into your homes, or they will take away all that you have wrought; they will steal as spoil all that which would normally be your reward. You must realize that you have permitted them to come into the United States to enjoy citizenship; you have allowed them to move into areas of importance in your society until they have taken over your economy. You do not have any, gold or silver left because they have stolen your treasury. They ran with the gold and silver to Switzerland and then to Israel, and you have no more in your resources. This is only part of, the strategy of mystery Babylon. We have recently seen a rather. new and unique development, for, in Switzerland this week the people who are true Swiss decide that they must band together and expel from their society those who come in only to operate the banks and

the businesses who move in areas of false economy. Then, when the money is loaned and gone, they move, not leaving any basic supply of funds that apparently had been utilized. The house of Rothschild, became one of the largest areas of discussion this week in Switzerland. The Swiss said the, Jews would have to leave as the people would not let them run their banks any more because they have been taking the gold and silver to Tel Aviv. Before Switzerland goes absolutely broke, she has to return the structure of her economy into the hands of her people. So you see again the same thing moving on this, Christian nation; for if you do not keep out these evil creatures, they will take away all that is yours under the pattern of Babylonian economy.

The fact remains that the money (gold and silver) is long since gone and we have now extended our debt limit trillions of dollars. This we owe, and the private banks which continue, base their operation on your production. Therefore they can lend money on production, and must take it back out of the areas of production. But the "Federal" Reserve banks will not lend funds unless they receive high interest rates, so we have serious problems in America. The United States government has to go to these banks (which are part of mystery Babylon). They are the private banking system of organized Jewry, and we have to borrow money from them to finance all operations. "The Hosts of heaven, with their tremendous fleets and ten times ten thousands, times ten thousands of the chariots of fire" to aid the household of His people: He promises you victory, and He counts on you to awaken to beat your plough-shares into swords and your pruning hooks, into spears, to stand off that northern army. But remember that Yahweh (God) has promised *us and* our nation deliverance.

Therefore, as we look upon the fall of Babylon, let us say: "Let her fall!" let us not in ourselves worry too much about her economic problems but let us return to the economic standards of Yahweh's Kingdom. Out of the program built around just sets of weights and measures, we will discover that there are states of economic immunity to this nation in the program of The Most High.

ALL the patterns of false religion and evil economy stand with mystery Babylon under the program of the children of evil, while the programs for the trades and craftsmen, and all the programs which they operated and exploited under the plans of mystery Babylon will rejoice *for Yahweh has avenged you on her*". Because she has been destroyed, you will rejoice. And under this program, at the destruction of this mysterious, invisible city of evil which had descended upon society we are told ***"that these were great men of the earth-merchants who deceived all nations"*** and they are now charged with the blood of the righteous who have been slain upon the earth.

In the 23rd chapter of Matthew we find that Yahshua (Jesus) has been talking to the scribes and Pharisees that are of organized Jewry, and as he describes them He says they are like whitewashed sepulchers and that they have murdered all the prophets Yahweh has sent into the world and, furthermore, they ate guilty ***"of all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias, slain between the temple and the altar."*** The Messiah proved as He spoke here in Matthew that organized Jewry with its ecclesiastical control and economic power was guilty of the martyrdom of the prophets from Abel (who was killed by Cain) right down to Zacharias, who had just been murdered in Christ's time. Also Revelation (Chapter 18) the Scriptures declare that these same people are guilty of the blood of all the righteous slain, proving that they and those Yahshua speaks of in Matthew are one and the same. "These are the Babylonian great men, thy merchants, who deceive all nations."

Babylon is failing and we are facing this situation right now; every community is reaching for money for their schools and other operations; and the strange circumstance is that this pattern of revolution which turns to vandalism or burns down the schools, they cause many millions more in costs to rebuild and repair that which is destroyed. The community has to turn the county, and the state to the federal government to see who will pay for all this devastation. The state does not want to increase taxation because their officials will be blamed and the areas of administration would be transferred to others, and the county does not want to raise taxes for then their officials would be censured. The revolutionaries burn the

schools whose administration then comes back to you by way of the ballot for funds to replace the destruction; and the taxpayers vote "NO!" They will not put up their money for bonds which cover them with heavy debt, to have the enemy turn around and vandalize and burn again!

So now everyone is running out of funds for education, relief, and every operation of administration; the local community and state call on the federal government for help, but the latter have no money except it comes from you. This brings in some process of taxation or the extending of increased debt far out into the distant future. Just so long as mystery Babylon can see a way to control property, so long as she (organised Jewry) can dominate society (which puts you into slavery), she will permit you to pass it on in debt which she will "support". But now we find that even mystery Babylon is faced with the fact that since we have reached trillions of dollars of debt she does not see a way to make a profit on this and is becoming reticent to back your programs of increased obligations. Thus now the men like Greenspan are crying that they want us to go into a world bank and submit completely to her program of hell that would control the earth. I want you to see that we are about to witness the fall of mystery Babylon, and that this will not economically hurt you any more than you have been hurt already. The process of finance is no longer sound as to the background of money, and people will not starve to death.

They have the capacity to produce; they have the goods which they produce, and the material that production can make, and they are about ready to seize, to take away, the power of Babylon never again to control their economy. You will see one of the greatest programs of deliverance economically in America as The Almighty Yahweh drops mystery Babylon like a millstone into the sea.

The saints of The Most High will rejoice and will be glad because the power of organized Jewry will have been finished!

There can be little question as we approach the climax of this situation, for we will stand and wonder as we see these things take place, and we will realize that the Hand of our Father is still upon His household and

upon His people. For He will supply their needs and he will reawaken them and return them to the standards of the economy of His Kingdom. So we see this program of Babylon the great is a mysterious power; it is a satanic program, and as a control of darkness it has turned to its last objective. Since it can no longer enslave by economic power, the design now is to utilize the strength of military power and quickly conquer you, subordinating and taking over, and confiscating, bringing death and liquidation. This is how anti-Christ moves into Armageddon at the very climax, at the end of the age.

BUT THIS MANOEUVRE WILL NOT BE SUCCESSFUL EITHER, because The Most High is standing by with Michael the archangel and the hosts of heaven, with their tremendous fleets and ten times ten thousands, times ten thousands of the chariots of fire to aid the household of His people He promises you victory, and He counts on you to awaken to beat your plough-shares into swords and your pruning hooks into spears, to stand off that northern army. But remember that Yahweh (God) has promised *us and* our nation deliverance.

Therefore, as we look upon the fall of Babylon, let us say: "Let her fall!" let us not in ourselves worry too much about her economic problems but let us return to the economic standards of Yahweh's Kingdom. Out of the program built around just sets of weights and measures, we will discover that there are states of economic immunity to this nation in the program of The Most High.

ALL the patterns of false religion and evil economy stand with mystery Babylon under the program of the children of evil, while the programs tighten for Righteousness and Truth stand under the plan of the New Jerusalem, which descended from Abraham, Isaac, and Jacob until your time, and NOW IS ABOUT TO BE REVEALED!

Praise Him, Praise Him, all ye His children! Yahweh, come quickly!
