## **THE PLANNED DESTRUCTION OF THE WHITE RACE**

The white Caucasoid race especially that section settled in North West Europe are the most intelligent of the races. Their intelligence, skills and energy have created the whole of modern technology. They are the producers of real wealth from raw materials. Ever since the times of William III aliens settling in the British Isles have used this creativity of our race to gather to themselves the profit by **USURY**, the lending of purchasing power credit money at compound interest. We are now in debt to international bankers and financiers to the tune of billions of pounds and never will be able to pay back the principal together with the interest and as a result the value of our currency continually diminishes.

### **THE MAIN THREAT TO OUR EXISTENCE AND FUTURE AS A NATION IMMIGRATION AND INTEGRATION**

Despite Margaret Thatcher's explosive speech "We are being swamped" and the Tory Party's promise to stop immigration from the third world to gain your vote, immigration from the coloured world continues at an accelerated pace. No sooner had the Tory party gained power than they began allowing in thousands of ethnic Chinese "The Boat People", many of whom gained their wealth providing for the needs, moral and immoral, of the United States troops in Vietnam.

**The Daily Telegraph** printed recently the report from the Home Office that 19,000 immigrants were accepted for settlement for the first quarter of 1980. This is the highest number of immigrants for the first quarter for four years.

About half a million Iranians have flooded into our country and when the government demanded visas they went to Ireland and are now entering with Irish passports. They finance themselves with the drugs they bring in to further debauch the people of our nation and having settled in, pretend to be students, open up night clubs and live on ladies of easy virtue.

**The Daily Telegraph of 12th July, 1980** printed: "Since 1969 the country of birth of all parents had been recorded and while increasingly children of New Commonwealth descent were born to parents who had themselves been born in Britain, the figures still showed that the proportion is increasing.

In England and Wales overall proportion of births to New Commonwealth and Pakistan (NCWF) mothers as a proportion of all birth rose from 72 per thousand in 197 to 78 per thousand in 1977 and 81 per thousand in 1978; one birth in every twelve. In the individual London boroughs the proportion continued to increase between 1977 and 1978: In Brent it is 45% in Newham 38% In Lambeth 32% and in Greater London as a whole it is 22% more than one birth in five.

## **WHY COLOURED IMMIGRATION?**

Margaret Thatcher is only carrying out the instructions of the United Nations Organization from whom all the old parties take their orders. Once in power they are no longer responsible to the people who elect them but to their international cosmopolitan bosses. The government departments have a full quota of aliens, many using English names and whose parents come into this country between the two world wars. They ensure that the plans laid down for our national destruction are carried out. Since we have signed the United Nations Charter the Privy Council is bound to put into operation the provisions of the charter.

## THE UNITED NATIONS CHARTER

The United Nations Charter has declared in its conventions that there will be international interbreeding and the establishment of a uniform population throughout the world. That there will be a uniform educational system and that it will work towards a one world religion --- Humanism. That there will be a one world police force and a one world monetary system.

### **THE UNITED NATIONS ORGANIZATION IS MARXIST UNDER THE CONTROL OF KHAZAR "JEWS"**

The British people have not been told that Marxist philosophy is behind the government's racial and educational policies. Earl Marx (Moses Mordecai Levi) was the son and grandson of Rabbis. The Charter of the United Nations was drafted in great secrecy at Dumbarton Oaks by Alger Hiss the chief planner and executor of the project and who became secretary general. Alger Hiss, a Khazar "Jew", was a senior Communist agent in the United States who was convicted and imprisoned for perjury in 1950 for denying that he was an agent of the U.S.S.R. He was assisted in drafting the charter by Andrei Gromyko, Soviet Ambassador to Washington and now Soviet Minister for Foreign Affairs. Gromyko stated, as reported in the Daily Telegraph. August 23rd 1958: "Believe me, I sit here as one who helped to draft the U.N. Charter with my own hands." In "**Time**" magazine, 16th August 1953 appeared a speech by representative Usher Burdick of the American House of Representatives in which he stated:- "Who were the principal movers at San Francisco for this United Nations Charter? Who wrote the Charter? And who had the most to do with shaping its provisions? The answer is that the Russian Communists and Alger Hiss, a representative of our State Department, were the prime movers in arranging its provisions. That is the same Alger Hiss who was convicted of Perjury when he denied sending secret material to the Soviet Union representatives. Its very beginning gave this document a bad odour."

The UN emblem was designed by a U. S. government departmental head, a secret Communist party member Note the similarity between the emblem of the United Nations and the emblem of the Soviet Union.

David Ben Gurion in "Time" magazine, 16th August 1948 wrote: "The United Nations is a Jewish ideal." James P. Warburg. Khazar "Jew" and member of an influential banking family arrogantly proclaimed before the United States Senate on 17th February 1950:-- "We shall have world government whether we like it or not. The only question is whether world government will be achieved by conquest or consent." The United Nations is therefore the prototype of world government with ministries such as the World Health Organization, the International Labour Organization, the United Nations Educational and Scientific and Cultural Organization and so on. The United Nations is staffed by Khazar "Jews".

The Under Secretary for Politics and Security of the United Nations is a Soviet citizen always appointed by the U.S.S.R. In the no-win wars of Korea and Vietnam all military orders of the American generals had to be submitted to this official for approval before they could be put into operation and so the real enemy, international Communism, knew every move of the American forces of the United Nations. This was why the Americans always held back when the Communists needed to regroup, bring up reserves or waited for supplies. This is why General McArthur was relieved of his Command because he wanted to finish the war by bombing the bridges over which the Chinese were sending supplies to the North Koreans. Many thousands of white Americans were killed or maimed in these no-win wars. Hundreds of white Americans are still in the hands of the Chinese and North Koreans. The British Minister who ordered the British Troops (the Gloucesters) to serve with the U.N. forces is responsible for the death of our own kith and kin. While the Americans were fighting the North Vietnamese, British cargo ships were unloading war materials for the North Vietnamese at their port of Haiphong.

## **WHO ARE THE KHAZAR "JEWS"?**

Arthur Koestler, himself a Khazar "Jew", has shown in his book "The Thirteenth Tribe" that 88% of those calling themselves Jews today are not of Semite stock, not descended from Abraham, Isaac and Jacob, but are Mongol-Turks who were converted to Judaism in the 7th and 8th centuries by the decree of their ruler Bhulan. They were a race of slavers and traders with their capital Itil on the shores of the Caspian Sea near the modern city of Astrakhan. This fact is verified in the Jewish Chronicle colour magazine of the 9th of June 1978. page 21, In reviewing Koestler's book the final paragraph reads:- "From the fragmentary pieces of information historians may justifiably conjecture that a substantial part, and perhaps the majority of Eastern Jews - and hence of world Jewry - might be of Khazar and not of Semetic origin."

In the same article an exchange of letters in Hebrew is referred to between Hasdai Ibn Shaprut, chief minister of the **Sultan of Cordoba, Moorish Spain** and **Joseph, King of the Khazars**, written about A.D. 958. Joseph began by praising his ancestor Bhulan for converting his people to Judaism. The Khazars claimed the status of **THE CHOSEN RACE** by reason of their own covenant with the Almighty even though they are not descended from Abraham's seed. Joseph then proceeds to provide the genealogy of his own people. Though a fierce "Jewish" nationalist proud of wielding the sceptre of Judah. he can not and does not claim ancestry from Shem but from Noah's third son, Japheth, or more precisely from Japheth's grandson. Togarmah, the ancestor of the Turkish tribes (see 38th and 39th Chapters of Ezekiel).

Joseph writes in his letter:- "We have found in the family register of our fathers that Togarmah had ten sons and the names of the offspring are as follows:- Uigur, Dursu. Avars. Huns. Basili. Tarniakh. Khazar, Zagora, Bulgar and Sabir. We are the sons of Khazar the seventh."

This race of non-Hebrew people have adapted the exclusiveness of the Semite Jew, counting themselves **THE CHOSEN RACE** and are their own Messiah. They have adapted the Babylonian Talmud as their own and upon this book are based the Protocols of the Learned Elders of Zion, their plan for the overthrow and destruction of all other races of men and the establishment of their world rule.

The Protocols of the Learned Elders of Zion, No. III: "When the hour strikes for our sovereign lord of all the world to be crowned, it is with these same hands which will sweep everything that might be a hindrance thereto. Ever since the time we have been leading the people from one disenchantment to another, so that in the end they should turn also from us in favour of that king despot of Zion whom we are preparing for the world."

*Kaufman Kohler in **Systematic Theology of Judaism** says, "The title of Messiah is henceforth conferred on the people of Israel itself. In the end, Israel, the suffering Messiah, will become the peoples' Messiah, victorious and crowned."*

*Dr. Joseph Klausner in **The Messianic Idea In Israel**, (Macmillan Company (New York 1955) wrote, "Thus the whole people Israel in the form of the elect of the nations gradually became the Messiah of the world, the redeemer of mankind."*

They have got into their hands the power of the purse and issue the purchasing power of the nations through their control of the World Bank and the International Monetary Fund. Theodore Hertzl. A founder of modern Zionism, wrote in "The Jewish State":- "When we Jews sink we become a revolutionary proletariat (communistic) and when we rise, there arises also our terrible power of the purse (capitalistic)." They have terrorized the Semite Jew and aim to take over the whole earth by organized revolution, indoctrinating and using the people who are their victims for this purpose.

War correspondent Douglas Reed in "**Far and Wide**," republished under the title "**Behind the Scenes**," writes:- "Political Zionism and Soviet Communism both grew up side by side in Jewish areas of Czarist Russia, within Jewish families living under the same roof tree ... the destructive achievement, in both the Zionist and the Communist aspect came from Jews in the **Russia of the Romanoffs**: THAT IS THE KEY TO THE UNDERSTANDING OF THE PRESENT AND THE FUTURE. The Jews who made those two great movements WERE NOT SEMITES: on that point all qualified authorities agree; their forebears never knew "The

hills of your ancestors." They were descendants of a Russian Mongol-Turk race converted to Judaism in the 7th century whose remote ancestors never trod the Palestinian soil ... Their two destructive exploits are astounding, considered as feats, like those of weight lifters, but still are less extraordinary than the submission to them of leading Gentile politicians (and clergy, teachers, union officials and newsmen) in the Christian West during the last forty years .. The way in which this overlordship has been imposed on the Christian West is wonderful and fascinating to study. It has all been done so quickly and with such skill."

The Khazar "Jews" began coming into Britain in numbers in the 1880's after one of their number, Hesia Helfman, had murdered the Czar Alexander II. Alexander had offended the Rothschilds by sending his fleet to aid the Americans in their civil war. The Khazar "Jew" William Fishman wrote in "**The East End Radicals**":- "The religious and tribal communities, led by the rabbis and centred on the synagogues and houses of study, preserved islands Jewish identity in a foreign sea. But the Jewish "Illuminati", the descendants of the 18th century enlightenment, the radicals of various strains such as the Marxists, rationalists and secularists carried on the class war and the fight against autocracy from the heart of the East End ghetto. They were the same breed as the Jewish idealists who helped to make the Russian Revolution before being devoured by Stalin (a national communist.) From London, Manchester, Paris and York they carried on their plotting of the overthrow of Czarist Russia and the revolution in the country which had given them sanctuary.

The next batch came in between the two wars. These were a more educated bunch all English speakers who entered our places of learning, many changing their names. They gained teaching posts in our universities, colleges and schools and began the indoctrination of our people with the new theories of Psychology, Sociology, Anthropology and Politics and Education. They have infiltrated into all facets of our national life. For example, one of their number is Ygael Gluckstein, founder of the Socialist Workers Party a Communist revolutionary who deceives us with the name Tony Cliff. Gluckstein is an Israeli citizen.

## THE KHAZARS DECLARE WAR

The Khazar "Jew", Rabbi Rabbinovitch stated at a special meeting of the emergency council of European Rabbis in Budapest on January 12th 1952:- "Our control commission, in the interests of peace and wiping out inter-racial tension, will forbid the whites to cohabit with whites. The white women must co-habit with members of the dark races, the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man and our most dangerous enemy will become only a memory. We shall embark upon an era of peace and plenty, the Pax Judaica, and our race will rule undisputed over a world of dark peoples.... we will openly reveal our identity with the races of Africa and Asia." This speech was recorded in full in the U.S. publication "Common Sense" and reprinted in the September 1952 issue of the Canadian Intelligence Service. Thus you see that with a few exceptions, every Khazar "Jew" is working for the complete destruction of the White Race and of the British people. They are using Jewry as a device to gain world control.

Israel Cohen, a communist spokesman in England in 1912 wrote a book "A Racial Programme for the Twentieth Century setting out communist policy. The following is an extract from this book which was entered into the U.S. Congressional Record for June 7th 1957 (page 7633). "We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the programme of the Communist Party. In America, we aim for subtle victory.

While inflaming the Negro minority against the whites, we will endeavour to instil in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sport and entertainment. With this prestige the Negro will begin a process which will deliver America to our cause."

In the Jewish Encyclopedia 1925 edition, page 3, it is stated that the Khazar-Askenazim traditionally came from the Seir Mountains, Mount Seir is in Edom, South of the Dead Sea. Therefore they are partly

Edomites (Esau is Edom, Genesis 36:1). Volume V page 41 of the Jewish Encyclopaedia states: "Edom is in modern Jewry" and this is corroborated by the Encyclopaedia Biblica, Vol. 2, Col. 1187.

The Khazar Jews in the United States and in Europe are working together for the complete destruction of the nations and more particularly of the Anglo-Saxon-Celtic and allied nations and for the establishment of their world government in the ruins.

Ever since 1918 they have built up the power of their vassal state the Soviet Union, by supplying finance, technology blue-prints and plans filched from the West. Skilled workmen and technicians have been sent to the Soviet Union by them to assist in these schemes and at the Khama River the largest factory in the world for the building of military trucks and tanks has been built capable of turning out 100,000 ten-ton trucks a year. The Moscow branch of the Chase Manhattan Bank (Rockefeller) is at No. 1 Karl Marx Place. (Read "**National Suicide**" by Prof. Anthony Sutton).

They have complete control of the world of finance, the international oil companies and the international metal and mining companies. (Read "Tragedy and Hope" by Dr. Carol Quigley, "**The Naked Capitalist**" by Cleon Skoussen, "**The New Unhappy Lords**" by A.K. Chesterton).

The activities in Rhodesia were to get control of the raw materials and metals out of the hands of the elected white government and to place in power a black government who would be more amenable to the International Financial Gangsters. One of the first to see Mugabe after independence, was Harry Oppenheimer, who controls (with Rothschild backing) all the mining in Southern Africa. The slaughter by United Nations Troops of the population in Katanga was due to infighting over mineral rights between the Rothschilds and the Rockefellers. (Read "The Fearful Masters" by G. Edward Griffon). They are now pressing on with their attack on white ruled South Africa. They could not care less about the blood of white and blacks that will be spilt there. It is complete power that they are after.

They are in complete control of the Soviet Union and all Communist states of Europe. They are in control of the Executive of the United States of America and finance and influence all aspirants to the Presidency who will have their Khazar-Jew adviser. The Khazar-Jew adviser to Governor Reagan is a Mr. Casper Weinberger. They control the Israeli State and if there were no Arab threat there would be a civil war there between the Khazar and the Sephardim Jews.

They have a very strong influence in the government of Great Britain and of all the Anglo-Saxon-Celtic and allied nations. Harold Wilson elevated many of them to our House of Lords and was amply rewarded by the Zionists and the Israeli State. Only selected Khazar Jews are allowed out of the USSR and most of these go to the United States which is the next country they hope to take over by revolution. The United States is being filled up with coloured people from all over the world; Khazar Jews get laws through the Senate which discriminate against the white population and Khazar Jew legal experts hound whites before Khazar Jew judges for not complying with their laws. In Britain, the Race Relations Acts were drafted by Zionists of the Board of Deputies of British Jews and passed through Parliament when there were few members present. The Khazar Jew firm of Harry Bindman hound our own kith and kin for not complying with their laws.

The Anglo-Saxon-Celtic nations, the U.S.A. Britain, Australia, New Zealand, Canada and allied nations, i.e. Holland are being filled up with Asiatics, Negroes and half-breeds and if you look behind the scenes you will find that those forcing this upon us, are these Khazar Jews. Bogus scientists draft documents to attempt to show that the Negro and the Asiatic are our equals in intelligence and skills. And when these mendacious theories are found to be untrue, a plan for positive discrimination against the white indigenous population and in favour of the immigrants, is thrust upon us. in this country by David Lane and all these movements against us are financed from our own taxation. Nations begging for more immigrants, i.e., British Honduras, are ignored.

By gaining teaching posts in Universities, colleges and schools, especially in the training of teachers and clergy (see Protocol XVI) and by taking

over the financial control of the mass media, national and most regional papers, the B.B.C. and especially the I.T.V. they have influenced and are influencing the education of our people, and this is why we have the constant degradation pornography, utmost filth and race mixing on these channels. The Khazar is dedicated to the destruction of our family life and of our national life and to force the destruction of our race and of all races by race mixing.

Rabbi Hugo Gryn, 16th August 1978 made a categorical statement that the Jews were in the time of Christ not responsible for his crucifixion which is contrary to the record of Scripture. Christians wrote to the B.B.C. and stated that as a Rabbi had been allowed to put forward his views to the people of the Christian country which were contrary to the record of the New Testament they should be allowed to put forward the Christian point of view. But as the B.B.C. is in the hands of the Khazar Jews and those they have indoctrinated, they were not given this opportunity. The B.B.C. and the I.T.V. are only paying lip service to the Christian Faith but at the same time they are carrying out the Khazar "Jew" programme to attempt to destroy the Faith.

## THE CHURCH

The affect of their propaganda can be seen in the Church of England and the Methodist Churches (read "**Religion, Red and Rotten**" by Henry Pike and "**The Fraudulent Gospel**" by Bernard Smith). They are carrying out their plan to destroy the Christian Church and establish an amalgam of all faiths, the ecumenical movement, the religion of Humanism. This is being promulgated by the World Council of Churches and by the British Council of Churches in which Harry Morton who describes himself as a Christian clergyman, operates. This community of hypocrites are confusing our children in the schools by advocating the teaching of all the faiths in a religious instruction propaganda drive. Many of the senior clergy are atheists and the young clergy are being trained in false doctrine.

The Gay Christian Movement is staffed by the following homosexual clerics, who have no knowledge of their bibles and less of science: The

Rev, Richard Cottar, lecturer at Lincoln College, Cambridge. The Rev. Giles Hibbert, teacher of Theology at Blackfriars, Oxford, who visits Eastern Europe and advocates a Christian Marxist dialogue and writes for Communist journals. The Rev. Borman Pittenger of the Divinity faculty at Cambridge University, vice president of the Militant Campaign for Homosexual Equality. The Rev. Peer Elers, president and vicar of Thaxted who marries homosexuals in his parish church. No wonder the younger clergy of the established church have no knowledge of their bibles and have not read Leviticus 20:13 nor Romans 1:27.

Bishop Montefiore of Birmingham painted the Lord Jesus Christ as a homosexual, born out of wedlock, in the August 7th issue of "Newsweek," 1967. This is the teaching of the Babylonian Talmud. Hugh Montefiore is the son of Chaim Sebag Montefiore a student of Jewish Rabbis, a University lecturer on the New Testament, who identified himself with the "**Soundings Group of Theology**" headed by the Jew Alex Vidler Dean of Kings. In the **Daily Telegraph of 22/11/71** was published a blasphemous ten commandments by this bishop. Members of the Sebag Montefiore clan have taken part in various revolutionary activities and culture distortion programmes. Their ancestors were slave traders, money manipulators in international banks; often intermarried with the Rothschilds. The present generation is active in propaganda work, race mixing agitation and aid to the Soviet Union. See "**The Councillor**" researchers' cards, no's. M-42378 and S-14582. Montpellier is now in a sensitive position in training Lay Readers for the Church of England. Another infiltrator into the established church is Paul Ostrich, son of Austrian Khazar Jews who had the audacity as an alien to urge the bombing of our own kith and kin in Rhodesia. A Khazar "Jewess" had the temerity to criticise Mr. Nick Bug den, a Conservative who as a Christian refused to attend a service where a lot of heathen were taking part in the service. Said Rene Short "**It is quite appalling that he should take this narrow sectarian view.**"

### **EDUCATION (See Protocol XIV)**

In education, children are coming up from the primary schools unable to read, write and calculate. It appears that no longer are teaching methods

being used in teacher training. (See Protocol XVI). The teaching by a new maths method is completely confusing the children. Under the heading "**School Filth Upsets Parents**" **Daily Telegraph 10/10/77** the Conservative MP for Derbyshire, Peter Roth, demanded an investigation into complaints concerned with the teaching of English in the Sin fin Community school, Derbyshire. A book was being used "**Us Boys from Westcroft**" by a Khazar Jewess Citronella Weinberg, published by Macmillan Education, Ltd. in Topliner Series. Mr. Roth stated:- "It can be no accident that 32 copies of this book were bought for children approaching "0" levels. It contained bad language, poor standards of English, incorrect grammar and punctuation."

Dr. Martin Cole, an aborter, reduces human beings to animals in his film "Growing Up." This film was produced with a teacher, Mrs. Muspratt, shows copulation and Mrs. Muspratt naked, masturbating. The Jewess, Joan Lestor. Labour member for Slough, said that she could see nothing wrong in this. This shows the difference in the Khazar "Jewish" mind from that of the Anglo-Saxon. As the Khazars are descended from Phallic Worshippers, this may be the cause of the difference and we could do well to have the education of our children done by members of our own race. In the **Daily Telegraph 9/12/75** we were told of a lecturer who sat in his underpants on a box in class and gave a commentary on how to go to the lavatory. His wife then came in dressed as a robot, then completely stripped and sexual intercourse was shown to 16 and 17 year olds. In the Daily Tel. 17/9/72 it was stated that sex education films and sex films were shown to 8-11 year olds giving knowledge on how to fornicate, despite the opposition of the parents. Dr. Stanley Ellison, Chairman of Responsible Society stated:- "Certain organizations are out to undermine the security of the family and to ensure that adolescents engage in sexual intercourse at the earliest opportunity."

The move for comprehensive education and the phasing out of the private sector is to carry out the decisions of the United Nations Charter and to have a universal form of education.

The Khazar Jews have established pressure groups and propaganda groups to change public opinion on capital punishment, homosexuality,

abortion, pornography, immigration, integration, positive discrimination, and so on. It was Lea Abse who moved the Bill to change the homosexual laws.

## **PRESSURE GROUPS AND PROPAGANDA GROUPS**

Other methods used by the Khazar Jews to influence the Goyim to destroy themselves are the Bilderberger Conferences, the Council for Foreign Relations in the United States and the Imperial Institute for Foreign Affairs in the United Kingdom. They also have the Council for Pacific Relations in Australasia.

The Bilderberger Conference was established by the international Khazar bankers and its first session was held at the Bilderberger Hotel, at Oostbeek in Holland under the presidency of Price Bernhardt of the Netherlands. Its well guarded sessions are held in great secrecy to influence politicians, bankers, academics, writers, industrialists and educators in the interests of their one world government. These people go along like sheep to be told how the world is to be run and little do they know of the wolves who are directing them Margaret Thatcher and Denis Healy attended the conferences at Cesme in Turkey and at Torquay in the U.K.

## **REVOLUTION**

Patriotic organizations were established in the 1950's to oppose the break up of the British Commonwealth and Empire and were immediately labelled Fascist and Nazi by the Khazar Jew organizations because they threatened the Khazar plan for world government. The League of Empire Loyalists of A.K. Chesterton. M.C. who had an honourable record in both world wars, joined with two smaller organizations to form the National Front in 1967 under his chairmanship. Immediately the whole blast of the mass media and the establishment was directed at the National Front aided and abetted by those who had been indoctrinated against anything patriotic and nationalist.

In the early seventies, the Angry Brigade reared its Khazar Jewish head (**Daily Tel. 4/9/71**), members of whom were Anna Mendelsohn, James Greenfield, Christine Bott, Wolf Seebag, Rosemary Fiore were members. These aliens were charged with conspiring to cause explosions (**Daily Tel. 24/8/71**). In the **DT 3/6/72** it was revealed that the Angry Brigade, led by Anna Mendelsohn, sought to disrupt the democratic society of this country. She had sticks of gelignite, detonators, sub-machine guns and pistols in her bedroom. The Angry Brigade were linked with AGITPROP - a Russian sponsored organisation (**DT 4/9/71**). Documents seized in a raid on AGITPROP showed it to be an organization associated with revolutionary movements and propaganda. The Angry Brigade bombed the Metropolitan Police computer room (**23/5/71 Express**).

The founder of the International Socialists is Ygael Gluckstein or Tony Cliff, an Israeli citizen. His wife is Chanie Rosenberg who writes for the Socialist Worker. Chanie's brother is Michael Rosenberg or Michael Kidran who has a wealthy-South African background, which enabled him to buy his way into the International Socialists. Socialism is a system of control to be imposed on the Anglo-Saxon-Celtic people when they have got rid of the Crown and the House of Lords in the interests of wealthy Jews.

The Socialist Workers Party is openly revolutionary. During the week ending the 3rd of March 1979 the television screen showed a film about this party (SWP) which was quite emphatic in its aims Revolution by violence This is a party of Jews leading coloured people and disaffected Britons; its leaders are Gluckstein, Rosenberg, Kidron, Holborowitz, Ludmer and the rest. Both Marx and Lenin stated that the British were too stupid to organize their own revolution and so one would have to be imported for them. This has been done with the myriads of Negroes and Asiatics and others, who have been brought here against our will by the Khazar Jew aliens and those of our own race more interested in power and lining their pocket, than in their own people. And what did they do to William Joyce?

The Board of Deputies of British Jews who had taken alarm at the growth of the National Front and other patriotic movements, established the

Anti-Nazi League. They had been instilling a guilt complex in our people by the biggest lie of the Twentieth Century, the supposed gassing of six million Jews.

## **THE PRESS**

Those who own the press use it for political warfare against the nation. Evelyn King, MP wrote "A tiny body of unelected, unrepresentative and sometimes bigoted persons control the media... their prejudices, drug permissiveness, anti-police, anti-American politicians (i.e. Nixon), repressive, agnostic, with a philosophy of failure." (World at One Do you think that the police attract bullying types'?)

Although most of the newspapers in this country are on the face of it predominately Anglo-Saxon in ownership, Jews still exert a considerable influence over the material they publish, chiefly in the editorial sector. (See Protocol XII). Much of the material is written by Jews such as Bernard Levin (Times), John Pilger (Sun), Karen Mayor (Evening News), Max Hastings (Evening Standard), John Akass (Sun), Milton Shulman (Standard and Express), Marjorie Proops (Mirror), Claire Rayner (Sun). The worldwide syndicated agony columnists Ann Landers and Abigail Van Buren (Dear Abby) are in fact two Jewish sisters, Esther and Pauline Friedman. (Read "**Let My People Go**").

## **TREACHERY**

Dr. David Owen in Moscow in 1977 stated that British interests in Southern Africa were the same as those of the Soviet Union. The Soviet Union's interests are to take over Southern Africa from the White race to gain control of the mineral wealth for their financial masters, the international Khazar bankers and financiers, to dominate the ports of Southern Africa, starve the West of raw materials and metals and strangle the oil routes. Dr. David Owen committed Britain and her troops to fight under a Soviet supreme commander with an Indian senior officer in command.

British government command paper 5924 of 1975 undertook to nationalize the British shipyards as a preliminary to closing them down and also

undertook that after 1984 we will purchase any ships and hovercraft required from the USSR these purchases being their repayment for the technology we have given them.

The international financiers are moving their capital to build up industries in countries where labour is cheap thus putting our own people out of work and denying our younger generation the training in the crafts and skills developed by their fathers.

Agreements on co-operation in the fields of applied science and technology were signed by Fred Mulley and Anthony Wedgewood Benn, on 19th January 1968 (Command paper 3710 of 1968) which paved the way for the transfer of virtually the whole of Britain's science and technology to the Soviet Union.

A long term trade agreement (Command paper 4132 of 1969) provided for industrial development to go into Soviet strategic industries instead of into British strategic industries. By agreement in the 1960's (Command paper 1375 of 1961 and 2059 of 1963) Soviet scientists were given the techniques for mutating viruses, bacteria and other organisms for war purposes while hair brained people led by the enemy were campaigning for the closure of the laboratories at Portland Down.

The Soviet Union have since been given live samples of different strains of foot and mouth diseases and a wide range of other agricultural diseases and pests. (Command paper 2645 of 1965 and 6044 of 1974).

On the 17th of February 1975 Harold Wilson signed an agreement which when fully implemented will make Britain entirely dependent on the Soviets in trade and industry.

An agreement signed by Harold Wilson on February 17th 1975 included several pages listing goods that by 1984 Britain will be committed to buying from the USSR goods that Britain would normally create herself and sell on the world market. These are only a few of the actions selling out Britain to the enemy and while you have had your eyes glued to the goggle box, the real thing has been going on all about you.

The chairman of the Labour Party's International Committee, Khazar Jew Ian Mikardo, a communist, Zionist millionaire invited Comrade Ponomarev, a top USSR communist to visit Britain (**Daily Tel. 13/10/76**). Britain has been scheduled as a future colony of the USSR. They can not do without our knowledge and skills but we will give this in slavery. Ian Mikardo stated (Daily Tel. 27/11/76) that the Labour Party would play a full administrative part in the Socialist International. Ponomarev was a close friend and confidant of Josef Stalin and has just as an obnoxious record as his former boss Alexander Shelepin.

Alexander Shelepin (D.T. 1/3/75), head of the KGB was an invited guest to Britain by Len Murray (TUC) and Jack Jones (TUC). Shelepin was a communist assassin.

In 1930 Dmitri Manulakio head of the Comintern, a post now held by Ponomarev, stated: "We still have to lull the suspicions of the Bourgeoisie (goyim) and to this end we must organize the most spectacular pacifist movement which ever existed."

## **OUR FUTURE**

Plans are in operation for the reduction of the population of Great Britain by two-thirds by the end of the century. This will be done by vasectomy for the male white population and abortion and sterilization for the female white population and by the propagation of homosexuality among white youth. No abortions will be allowed to coloured women and white women who will give birth to coloured (hybrid children) will be given a state grant. With the rising birth rate of the coloured population, the British Isles will be predominately black or coloured by the year 2000 A.D.

**WATCH THE TRENDS AND YOU WILL SEE THAT WE ARE SPEAKING THE TRUTH.**

## **THE NEW NATIONALITY ACT**

A new nationality act is going to be put before parliament for acceptance. Nationality will be based on the place of birth and not upon heredity and ancestry. Those who have been born in the British Isles will be British nationals, but those of our kith and kin who have been born overseas will become aliens.

United Nations policies are all aimed at progress towards, and hindering opposition to, a **One World Dictatorship**. UNESCO has been particularly active. Their racial policies are aimed at a complete mixing of the world's populations, to help in the breakdown of national boundaries and loyalties and removal of national identities. It is for this reason that large numbers of people are being transported, at enormous cost, from one country to another.

The UNESCO Convention against Discrimination in Education (1613 of 1962), together with the UN Convention on the elimination of all forms of racial discrimination (Nov. 20th 1963, but not submitted to Parliament until 1969 - Command 4108), and certain clauses in the Charter of Human Rights, add up to a policy of complete mixing of the races, identical "education" (the contents of which is being defined so as to make indoctrination a better description), and inter-racial inter-breeding. Two revealing exceptions are written into these conventions. Members of the white races are officially to be actively discriminated against, at all levels, while certain chosen children are to be given a better education in order to be groomed as the future world administrators and rulers. In the UNESCO Convention against Discrimination in Education the designated children are described as members of minority races in predominately white countries.

The United Nations Act of 1946 was introduced to facilitate the implementation in the United Kingdom of such future UN decisions without necessarily exposing them to debate in Parliament, and the responsibility for the virtually uncontrolled immigration into the United Kingdom lies with individual members of the Privy Council and the Home Office.

We have now reached a watershed. The new nationality act could set the seal on multi-racialism in Britain --- that would inevitably lead to the

eradication of the British people and the establishment of an irreversible Marxist dictatorship. Or a nationality act could be drafted that would preserve the Christian Culture and traditions that the British people have worked for, fought for and died for during a thousand years and not least in the wars of this century, and help turn the country and the world away from the Marxist oppression and back to sanity.

It is impossible in this small book to uncover for you all the machinations that are taking place behind the scenes against your nation, your family, your liberty and your life. These plans that are being kept from you by the controlled press and the rest of the mass media but the following book list will help you gain further knowledge and confirm all that has been written above.

### **WHAT IS PLANNED FOR US - TIME IS SHORT**

General Pyotr Grigorenko in an interview with "**Le Figaro**" said that the Soviet Army was prepared to intervene in Europe wherever there was a weakness. He had been forced to seek asylum in the United States when he was stripped of his Soviet citizenship in 1978. He warned that the Soviet forces would attack Western Europe before the end of this year. It is estimated that the Russian army could cross Europe in three hours. There were strong troop movements in Czechoslovakia involving six infantry divisions and two artillery divisions and Admiral Gorchkov, Soviet Navy Chief was said to have visited East Germany to supervise amphibious exercises which might become an attempt to take control of the North Sea. (**Daily Tel. June**) In a memorandum produced at the request of an important member of the present cabinet, it was stated that Russia is no longer afraid of Continental NATO which has been so vastly out-armed that the US is only left with a nuclear response which France and Germany will not tolerate. NATO forces have no resistance beyond a few hours. IF the UK decided to resist packing up, Russia would launch an airborne and surprise trawler-borne invasion of about 100,000 men, taking over the country and leaving the Royal Navy stranded and without political direction.

Russia is only waiting for the termination of the Olympic Games which are important for Russian morale. The report states: "I do know from an extremely exalted source of great authority that Russia has decided to strike in the Middle East and at England and is convinced of German and French neutrality. I am certain my source is beyond question or dispute except by persons wholly irresponsible." At the Westminster Branch of the United Nations Association, Lord Goronwy Roberts stated that he intended that Britain should be totally disarmed by the end of 1980.

It seems to be a waste of time to warn the British public about the intended invasion. One can produce Russian document after document, but it is useless. No one can believe it can happen to them - except of course the unhappy Afghans. We sold out the Poles, the Czechs went, the Hungarians went, South Yemen, Angola, Mozambique, Ethiopia, Rhodesia.

## **THE RULERS OF RUSSIA**

A special report in the Sunday Times at the end of January on the alleged constant feud between "hawks" and "doves" in Moscow and the proposition that the seizure of Afghanistan was the work of the "hawkish" faction which succeeded in imposing its views, must have prompted students of arcane politics once again to speculate on the precise part still played by Jews in the furtherance of the Communist Empire which their co-racials played so significant a part in launching."

Observers of the Kremlin claim to discover two groups there: an "Asia" group of hawks and a "Europe" group, and the Eastern hawks appear to have gained decisive ground. While admitting their inability to attach names to Politburo members in the Asia group, some guesses have been made by "Kremlinologists", such as Professor Fred Starr of Tulane University in New Orleans. A forward policy in Asia is said to appeal, for instance to Mikhail Suslov --- an influential backroom figure in the Kremlin whose real name is Suess. He is a Jew. Two other "strongmen" whom the Sunday Times claimed to identify are Yuri Andropov and Dmitri Ustinov. Andropov, who is head of the K.G.B., was not born of that name; he was originally a Liebermann. Ustinov, who replaced Grechko as Minister of Defence, is the third Jew in this triumvirate of hard-liners --- his real name is Ulbricht.

That the views of such men should prevail in the Kremlin's corridors of power would seem to conflict somewhat with the allegation to which the media have subjected us over the years since the first verbal shots of the cold war were exchanged in the late 1940's: namely, that Communism behind the Iron Curtain has become increasingly anti-Jewish. Indeed, one might ask if this be the case, how could Suslov, Andropov and Ustinov have first come to hold the crucial positions of power which they now command.

## **Bolshevism's Unchanging Nature**

So far from the idea placed in front of the public by the press and television that the Soviet Union is anti-Semitic (that it may well be anti-Zionist is another matter, for a disinclination to allow what might be termed a state within a state and the divided loyalties which this must create is readily understandable), there is much evidence to support the opinion that, largely Jewish in instigation in 1917, Bolshevism in Russia today still derives much of its momentum from atheistic Jews. In November 1978, Candour published an article researched by A. F. Karlow-Dalimilov which enquired into the antecedents of the Soviet Union's present ruling gerontocracy. Not only were Suslov, Andropov and Ustinov identified as Jews, but so were the following characters:

Andrey Andreyevich Gromyko. Minister of Foreign Affairs.

Viktor Vasilevitch Grishin. Real name Griasel.

Fedor Davidovich Kulakov. Born 1918 in Stayropol where he is remembered as a son of David Stein.

Dimitrij Stepanovich Polvansky. Real name Grendrich.

Avrid Janovich Pelshe.

Alexanda Nikolaevich Shelepin. Real name Scheen. Former K.G.B. administrator involved with assassination.

Valadimir Vasilevich Scherbitsky.

Grenadij Ivanovich. Real name Abraham Arenschen.

Petre Morovich Masherov. Born 1918 in Shirki, son of a Jewish businessman.

Michail Sogejevich Solomonzov. Real name Salzman.

Kirill Masurov. Right-hand man of Kosygin.

Were Father Denis Fahey still alive, doubtless he would have an abundance of material with which to update his scholarly and authoritative work on the racial composition of the Kremlin's masters !

## **THE TRUTH SUPPRESSED**

"As for anyone who does not know that the present revolutionary Bolshevik movement is Jewish in Russia, I can only say that he must be a man who is taken in by the suppressions of our deplorable Press. Hilaire Belloc in G.K.'s Weekly. February 4th, 1937.

#### **Exposed - Jews Still Control Russia**

**SOLZHENITSYN** in describing the horrors inflicted upon the Russian people by past and present communist rulers deceives most fair minded and uninformed people as to the identity of these monsters of Moscow. The truth which Solzhenitsyn (a Jew himself) hides is that all the slaughter, the diabolical tortures and soul destroying imprisonment are the product of his racial kinsmen, **THE JEWS**.

The following information is presented by A. F. Karlow-Dalimilov, a Russian patriot. The actual governing body of the USSR is the Politburo of the Communist Party.

A cursory inspection of the Soviet diplomatic corps reveals that 90% of the Soviet Ambassadors are JEWS. The following JEWS are in key diplomatic posts:- DETRAINING (real name Guzman), Ambassador to U.S.A. ORION (real name Senescent), former Ambassador to Czechoslovakia. JUDGING, former Ambassador to Red China. FALL IN, Ambassador to West Germany. Also included are GARNISHING, MISTAKING, SHILLING, OSCINE, MOROSE, EXPOSÉ, KIRBY and BENEDICT. (ALL JEWS).

TO FACILITATE JEWISH RULE OF THE GLOBE THE JEWS IN MOSCOW AND THE JEWS IN WASHINGTON (AND EUROPE) HAVE AGREED ON CERTAIN SPHERES OF INFLUENCE. THE EASTERN, UNDER SAUL - RAINDROP - KULAK AND THE WESTERN, UNDER BROTHS AND ROCKEFELLERS (BOTH JEWS).

## **JEWS IN PARLIAMENT**

According to the May nth issue of the Jewish Chronicle, thirty-two Jewish Members of Parliament were returned in last month's General Election, a full dozen short of the record number of Jews elected in October 1974. Jewish Socialists outnumber those of the Conservative Party. The ratio is twenty-one to eleven, as compared with thirty-five to nine after the previous election. Six of the successful Conservative Jews have been appointed by Mrs. Thatcher to her administration, with a seventh being added in the form of Councilor Irwin Bellow, leader of Leeds City Council, who has been given a life peerage to become spokesman for the Department of the Environment in the Lords. In addition, Mrs. Thatcher has appointed as chief of staff of her political office Mr. David Wolf son, a nephew of Sir Isaac and a former director of Great Universal Stores. This Parliament is the thirty-first since Baron Lionel de Broths took his seat as the first Jewish K.P. in July 1858.

Set out below is a list of the Jewish Amps in the Commons, as published by the Jewish Chronicle, along with their constituencies:

**CONSERVATIVES** - Leon Brittany (Cleveland and Whit by), Sheila Faith (Helper), Geoffrey Fishery (Hempstead), Toby Jess el (Stickmen), Sit Keith Joseph (Leeds North-East), Ivan Lawrence (Burton-on-Trent), Nigel Lawson (Blabby), John Lee (Nelson and Cole), Sally Penh (Gloucester), Malcolm Refined (Edinburgh Pent lands), Anthony Steen (Liverpool Waver tree).

**LABOUR** - Leo Abase (Outpoll), Frank Allan (Sal ford East), Joel Barnett (Hey wood and Breton), Arthur Davidson (Harrington), Clinton Davis (Hackney Central), Jack Dunne (Nottingham East), Reginald Free son (Brent Fast), David Gins burg (Dews bury), Revile Jane (Leicester West), Gerald Kaufman (Manchester Yardstick). Harold Lever (Manchester Central), Edward Lyons (Bradford West), tan Mikado (Behalf Green and Bow), Maurice Miller (East Bilberries), Neville An- derson (Hayes and Arlington), Robert Sheldon (Ash ton-under-Lynne), Renee Short (Overleapt North East), John Silk in (Dept ford), Samuel Silk in (Ulrich), Julius Silver man (Birmingham Arlington), David Win nick (Wassail North).

That the D.C.'s list may by no means be complete is suggested by the following snippet from the pen of its Chronicler columnist in the May 10th issue:

"As in the previous three Parliaments, the only Cohen in the new House of Commons is a Roman Catholic (Candour Editor). Mr. Stanley Cages, a former railway clerk, has held Leeds South East since 1970. He told me then that there was 's me Jewish grandparent in the distant past'."

And, of course, Mr. Callahan had a Granny Bernstein!

### **ROTHSCHILD'S COMMON MARKET**

This month's elections for the so-called European Assembly, with their creation of huge, artificial Constituency-units, echo a forecast made by Edmonds de Broths on 18th July, 1970, in the magazine Enterprise, and reproduced in Hamish Fraser's pamphlet; **The Forthcoming European Elections in the Light of Papal Teaching:**

"Western Europe, i.e., the six countries of the Common Market plus Great Britain and perhaps Ireland and the Scandinavian countries, according to modalities to be defined, are going to constitute a federal political Europe, but because each individual feels the need to be situated within a restricted milieu, he will identify himself with a province, be it Whortleberry or Savoy, Brittany, Alsace-Lorraine, or the Walloon region. Under these conditions, the structure that must give way is the Nation."

In those words, Mr. Fraser's pamphlet comments, "was cynically exposed the tactic of the war on two fronts that is being waged against the nation: to break it into fragments by separatism and to finish it off by taking from it all real sovereignty."

The Forthcoming European Elections in the Light of Papal Teaching is a pamphlet which should be read by every anti-marketer. It is available from Hamish Fraser, Casa Garcia Moreno, 1 Wavelet Place, Salt coats, Yorkshire, Scotland.
