

The Day Of Deliverance

By

Dr. Wesley A. Swift

15th January 1965

Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers. His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the anti-christs acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.” Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White

spirit-race known Scripturally as “sons of God”. By teaching these truths to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.

The Day Of Deliverance

By

Dr. Wesley A. Swift

15th January 1965

As we turn to our subject we think of the condition which has developed in the last 50 years that would seem almost impossible to the average student of Prophecy except that he has watched it, and saw it come to pass. Here we, a great nation, a dedicated nation committed to the carrying of the Gospel of the Kingdom to the ends of the earth. We were to lift up the Standards of God, and to carry forward the purposes of the Most High God. We were a nation who under the areas of our operation had extended our- selves from coast to coast. We had developed our raw material as we tended to the needs of our people, and as to the percentage of taxes which it took to run this nation, they were a very small part of our livelihood, and of our income. In fact during this time structure this structure of the Kingdom of God was growing, and growing, and it seemed that the end of the Age was not as close at hand as people had advocated that it might be.

But in the midst of all this there was an adversary working very hard. It even tried to rear its head out of the great waters, but was eventually hidden. Not destroyed, but just hidden. This is Communism. I want to point out to you that we have had quite a change in our relationship with the battle with Communism. In fact in the periods of time in which we have been engaged in this exposure of Communism, we have had public speakers speak out against the menace of Communism, and they have been publishing papers and magazines on this subject, in fact there has been an increase in what we call the Right Wing. In fact we are well aware that in the Right Wing are those who are aware of the forces and causes of Communism, and the conspiracy of it all. In fact the Right Wing recognizes that Communism is peculiarly financed by Jewry, and that Jewry is behind Communism all over the world. At the same time with the apparent distrust going on between the Soviet Union and Israeli, the world is prone to take a very dissident view of all this, and they look toward Israeli while Russia apparently is helping the Arab States, but they

over look the fact that not too long ago that the Jews were pushing and harassing the Middle-East. It was Israeli who invaded Egypt, and at that time Egypt couldn't get the material or the ammunition for the guns and equipment that they had acquired from the Soviet Union.

In fact if we hadn't frozen all the assets of Israeli, they might have stayed in Egypt, we froze all the assets in the banks of the U.S., and Israeli retreated out of Egypt. But the areas of the conditions that exist today, Communism is Jewish to the core. Inside of Israeli, their whole society is built around the Communist state. Its governing body is an organization largely comprised of all the operations of Jewry. The B'nai B'rith is a large contributor to the operation of this governing body of Israeli. But you look into this program and Istararit Israeli, a collective society. Istararit controls the growth of Israeli, controls the growth of plants, and of orchards. It controls the wells and the drilling for water. It controls the areas of health, and hospitalisation, and of Jewish Labour. This is the organization to which all Jewish labour belongs. The children of Israeli are also controlled by this, as their parents see them a few hours of the week, but they are virtually wards of the state. Except, in Tel Aviv where the wealthy Jews live, and where they come and go from, all over the world. These are those who put their hands into your pocket and deliver your wealth, God's gold and silver, from all over the world, to Israeli. These are Satan's children and they are at the very seat of their operations at this time. Now, within the areas of World Communism we have discovered something rather different, even from what existed even 10 or 12 years ago. For at this hour where as the Right Wing became rather profuse in the areas of its literature, that during the last campaign they came out with volumes of literature, and information. There has been a Christian Nationalist Crusade by Gerald Smith, and there was McGinnly's 'Common Sense', and Merwin J. Hart with his 'Economic Council' letter, and we could go on and on. But with this literature the Communist conspiracy became well known within the United States. Of course there are masses of people in our lands who do not pay attention to these things. They eat and sleep and go to work and come back and go into their caves again until the morning. But they don't think they don't read, and they don't study. And these people don't want anything but to be left alone, unless the government promises them more

and more, and then they are ready for the handout. But they don't realize that we are in the hands of continuing area of revolution.

We are in a hour of grave concern, and God speaks out to the people of the nation and He says: 'I have a remnant within the nation that has not bowed the knee to Baal, and it is with this remnant that I shall deliver this nation.' Now there isn't any question of the fact but that the Right Wing is a powerful and strong institution. We have had many, many years in these United States behind our Freedoms, and people do not realize that we have lost them. Nor do they realize that the creeping trend of the socialist's state is quite in keeping with the Soviet pattern of revolution. They are giving away areas of their Liberty as they are offered government provisions, with housing, and the paying of their rent when they don't need it. And the government pays them when they don't work, and supplies them with different things, but the whole program is that everything is coming from the government. And they say: Oh, we get our share out of the government, it pays for this and that, but the Americans don't realize that the government doesn't produce anything. The government is only the medium by which we support the Administrative society which has the rule over us. And out of taxes comes that given out by the government. Yet people say: we don't care about this of course because they are only going to tax the rich and give it to the poor. But this isn't the way it works at all. It is the poor which pays the taxes. It is coming out of the areas of prosperity, out of the areas supposedly of government contract and so forth. However the processes are rather strange. We are a nation which had produced more than any nation on the face of the earth. A nation which was the virtual arsenal of all the free nations during the periods of war. A nation which is not only capable of producing more but distributing it as well. But suddenly, the great Mills are coming to a stop for we have priced ourselves right out of the market.

With these new wage increases we are moving beyond all areas of sensibility. But behind all this is the International Bankers. The World Jewish Administration which financed and controls the FEDERAL RESERVE system, which controls private banks, which are setting them up in Saigon and all over the earth. They are working today to get America to lose her ability to produce and to become a second or third rate nation.

Under this area of strategy we discover that as the Right Wing speaks out on this situation they are held up as paranoid or crazy. So they create the semantic of the war to fight the Right Wing. The policies of it are rehearsed in our colleges, and the psychologists who are speaking there, talk of the irresponsibility of the Right Wing, and how it must be looked upon with askew. But who are these psychologist? Predominate numbers of them are Jews brought in from Eastern Europe, as exchange professors. They have had such an influence over our colleges, over our junior colleges and even in our high schools, that today over 50% of our colleges in the U.S. have a definite trend heavily to the left.

More than this we are to find that they are effecting the whole structure of our lives. We are importing in the areas of entertainment, and in the areas of operation, those who would flood into our country. These black immigrants are bringing in music with twisted peculiar vibrations which are effecting our youth in this society. Still it is a minority that are teaching the beat, beat, beat into the brains of a nation. All of this is the product of a vibrant and very well extended area of revolution. In fact in the countries behind the Iron Curtain, in their revolution they will not permit them (blacks) to come in, but they are skilfully sending them in on you.

We are in a time of trouble, in the Time of Jacob's Trouble, and they have taken away our gold, they have taken away our silver, and then we discover that we are, of all people, only those who have no money in our pockets which belong to us. There is very little money that you ever see and say: this is U.S. money, the money of the U.S. Government. We are doing business on borrowed money, and at the expense of our society. Thus the areas of this are not looking so good, we are providing armies that are sending our sons to foreign regions to carry on hostile activities against areas of Communism and yet the areas of Communism are throwing up International Revolutions, and the false patterns of theology are coming in. Buddhism is helping the Communist as well as Hinduism, which is making inroads in areas of India, and in all of the areas of the earth wherein there are pagan gods, pagan philosophies, Witch doctors, always in those areas they move toward Communism.

But! It is only a short period of time before we shall behold the end of the Age. We point out to you that under this peculiar operation we are discovering that more and more District Attorneys and Assistant District Attorneys are Jews. More and more of them are getting into positions of judgeships. It is harder and harder to get justice in the courts of the U.S. You cannot say any longer that justice is just blind. You can no longer say that we can depend on the status of the law, that the law will defend and protect us. But now they don't pay any attention to the law. Their either setting it aside or making up new laws for whatever matter is before them.

No, justice in the United States is not blind, justice has become a very peculiar pattern and what we are witnessing even in areas of the Supreme Courts of our States as the Jews go on the court, then the court becomes corrupt. And the areas of justice are supplanted by the area of this invasion, and we are of all people the most undone.

Jesus, when asked what the signs of His coming would be, said: One of the things they are going to do is to deliver you up to the synagogues, and to prison.' There is little question about the fact that the masters of the Synagogues will deliver you up to the judges, and the judges will put you in prison if they can. However God does speak out about this operation. He says: 'They shall lay hands on you, and they shall persecute you, they shall deliver you up, to the Synagogues, and to prisons, and bring you before kings, and rulers, for My Names sake. And it shall serve you for a testimony. Settle it therefore in your heart what you are going to answer. Therefore He said in Luke 21:14-15; 'Settle it therefore in your hearts, not to meditate before what ye shall answer: For I will give you a mouth and words of wisdom, which your adversaries are not able to gainsay, or resist. Ye shall be betrayed by some whom ye thought were your kinsmen, and your friends, but even some of you may be put to death as well. And ye shall be hated of all men for My Names sake, but there shall not an hair of your head perish. In your patience ye possess your souls, if you speak out and continue the attack, IN MY NAME.'

In a very short period of time we are going to see the deliverance of God's Day. Many say: what is the sign of the deliverance by the Most High

God? Well God has spoken out about this area of time in the Book of Joel. He has told us about the signs in the Heavens and in the Earth, of the blood, the fire, the pillars of smoke, the atomic bombs, and their discoloration of the sky, and of all the things that are to happen. And He says that in this day, then you will know that you are in, that DAY, the terrible day of the LORD, and the Great Day of the LORD. It shall come to pass that all who call on the Name of YAHWEH shall be delivered. Joel 2:32. All who call on the name of YAHWEH-YAHSHUA shall be delivered. This is not an if or an and, it is an assurance that as you call on the name of YAHWEH that basically you will be delivered.

We will say as the Psalmist did in the 18th Psalm; 'The LORD is my rock, he is my fortress. He is my deliverer, My YAHWEH, My strength, in whom will I trust; My buckler, and the horn of my salvation, and my high tower? I will call upon YAHWEH-YAHSHUA who is worthy to be praised; so shall I be saved from my enemies.' So the Most High answers in this area and He says: I will deliver thee in that day, and thou shall not be given into the hands of the men of whom thou art afraid. For I will deliver thee, and thou shalt not fall by the sword because thou hast put thy trust in me, saith the LORD.

Thus in their attacks on you, then you need not be afraid, nor shall they, and we use the word THEY, because do you know that this is one of the most interesting situations? Esquire had a unique article this month on, they. It is a complete expose of the Jews, from anything they have ever done right on down to the finance of the International conspiracy in the areas of Communism, and banking, and of every factor they have ever been committed to. It is all there and their nozzles are around the tub of the magazine, there they are. Thus this months Esquire has this article of this peculiar pattern. No one has signed their name to the article but nevertheless it is in the magazine. And this magazine says: when you hear the Right Wing say, they, it is these Jews they are talking about. They, are the ones exposed as you study Communism, and all of these things which are wrong, that the Right Wing has pointed out. When you get through with the exposure, they are in the right spot.

Now in this instance we talk about them, because they seem to have a lot of influence, and in a large area of operation. But I am going to tell you that the Right Wing possesses its soul as it continues to point out who they are. But I can tell you that we are going to continue to point them out, for you should never stop pointing them out even though someone always says: but that is hate. No, it is not hate; it is hatred of what they do. And it is essentially a program which is necessary for people to understand. If we were to hold back on the truth then it would be more of a disaster as more people would be swept down the road to socialism and communism without knowing what it was all about. But today even Labour is beginning to flare up as they see the cause of some of their problems as the money is being withdrawn from behind the areas of their finance. And the operations which have cost them more and more taxes, have at the same time been moving out areas of their production. As they see this they are going to call for a new status of survival, and this will be an area of great upheaval.

Now it says that those who call upon the Name of the LORD shall be delivered, and it declares that in this instance since they have taken My silver and My gold, and the goodly things away from you, then 'I am going to move on them.' So we cite this deliverance comes in the hour when the people of the Most High call for deliverance. In the Book of Malachi the Lord speaks out again (3:16). They that Loved the LORD spoke often to one another and the Lord hearkened, and heard, and a Book of Remembrance was written for him, for them that Loved HIM, and thought upon His Name. And they shall be mine saith the Lord of Hosts, in the day when I make up my jewels, and I will spare them as a man spareth his own son. Because these are My household, these are my sons and daughters and I will spare them. Then Ye shall return and discern between the righteous and the wicked, between him that serveth YAHWEH and him that serveth Him not.' Joel 3:18. 'For behold, the day cometh that shall burn as an oven; and all the proud, yea, and all that do wickedly shall be stubble; and the day that cometh, shall burn them up, saith the Lord of Hosts, and it shall leave of them neither branch nor root.' Now this is talking about the intenseness of this hour; For unto you that love My name, shall the sun of righteousness arise with healing in his

wings, and ye shall go forth, and grow as the light that he hath protected His household. And ye shall tread down the wicked.'

We point out to you that in this hour that God calls upon His sons and daughters to be counted. We have an area of liberty, and freedom in this nation, and on the 4th of July in 1776 we were 2520 years from the date when Manasseh went into captivity. It was the day we came out of the captivity as a nation. And we have had areas of liberty and areas of freedom which are guaranteed under our Bill of Rights and our Constitution. We have the right to remain armed in our own household, although they are trying to tell us today that we are such an advanced nation that we don't need any arms to defend ourselves. Let me tell you something, there are more wild beasts walking the streets of Los Angeles today than ever walked the forests of our nation. Thus, the Right Wing says, you must protect your household, and we urge you to get weapons and learn how to use them. Become proficient in using them because this is an American heritage that shouldn't be allowed to die down, because you may have to defend your home and your nation. Communist may come in out of the sky, or land on our shores or rise up inside your nation, and you will need protection. You would think that this would be heralded as a fine thing as we have this way for years, but when Mr. DuPugh formed the 'minute men', or other patriotic groups moved out and formed organizations of defence, and then came a huge cry against them. Not the people, they just stood around and listened it was officialdom speaking out against these patriotic people.

They talked about the fallacious pattern of these Right Wingers saying that they had cannons and they even had anti-tank guns. But this was just a hoop-de-rah because very few of these people had cannons, or anti-tank guns, and it wasn't even against the law if they wanted to keep them, for they had as much right to keep them as they did an old automobile. The fact is that this is the avenue by which they attacked and said these weapons should be taken from these people. But who said this? It is again, THEY, the left wingers whether he be an attorney general, a law officer, or investigator in the city, or whether he is in the ranks of Police officials. When they are in this area and are denying an American citizen the things which are rights, and are working to take it away from him,

with disarmament conferences, and areas of these things, then these people are a hazard to the United States. Now why are THEY worried? Well THEY say, these Right Wingers may explode someday, maybe a leader will rise up and say the day is now, and then they tell us that these Right Wingers are going to escape and overthrow the communists and that is against the law. Now: isn't that a terrible thing for the Right Wingers to contemplate? I am going to tell you that if a Communist paratrooper starts coming down they will be met with a hail of fire such as they never saw before, and if Negro riots erupt from Watts and try to move out into white areas of population, they will also be met with a hail of fire. So, they are speaking out and saying this thing must not be. But God said: 'Ye shall tread down the wicked, and they shall be ashes under the soles of your feet in that day. He also said: A thousand shall fall at thy side, and ten thousand at thy right hand and no harm will come to you.'

Now someone says that cannot be proved. Yes, it can be proved. Remember Sergeant York in W.W.I.? Well, my friends, that will be a small thing when we move out against the enemy of our God, and our enemy as well. The declaration is: 'Ye shall tread down the wicked, and they shall be ashes under the soles of your feet. And I shall do this saith the LORD of Hosts, in that day. Remember ye the law of Moses, my servant, I shall send ye Elijah the prophet before the coming of that GREAT and terrible day of the LORD.' What is the purpose? 'He is going to turn the heart of the fathers to the children, and the heart of the children to the fathers, lest I come and smite the earth with a curse.' The House of Israel must become aware of the destruction that is being done in our colleges, and in our universities to corrupt and capture our youth, and to pervert and twist them into the total objective of their cause, or America is finished. Their program is mongrelisation, inter- marriage, and the destruction of the culture of God's Kingdom. But God speaks out and He says: before that is done, 'I am going to turn the heart of the fathers to this situation, and they are going to rise up and start getting rid of these teachers and professors. I am going to say that it is a shame that in these United States that we have a left wing professor on the staff of any college in the United States.

When we turn to the areas of this operation we find that the A.D.L. and the B'nai B'rith are one of the worst offenders. When it comes to speaking out against the Negroes and their riots, they tell us that what we are to get is what we have earned and more. That we should surrender our finances to them, we should restore everything they burned down and then get ready to let them burn it again. They tell us we will have a long hot summer, but I tell you that if we have a long hot summer, then it will be because the Jews have made it a long hot summer. It will be because they have incited and stirred up these demagogues who in turn have stirred up the Negroes into the areas of their destruction. The nations of God's Kingdom have given to the world; we have developed the areas of its industry. We have developed the areas of its production, and created pay rolls in Africa and in Asia. We have provisioned the established right that people can provide for themselves when they have wisdom and knowledge, and intelligence. But it is evident today that this wisdom, knowledge, and intelligence happens to belong to the white man. And when the white man pulls out of an area then they don't know how to operate. They don't have enough food to feed but about 1/3 of India. They don't know how to operate, they multiply and increase beyond their measure, and end up out of work, and food, and yet they tell us that they have an ancient culture which is better than ours. They embrace an area of communism in their masses, and their leaders tell us that they face war on two fronts. By the way, there was an earthquake in the Congo, it was pretty bad, about 90 people were killed as the earth opened and closed, and then opened and closed again. It didn't effect the areas of the white settlements of the Congo however. We point out that this is just another measure. Then in Asia out in the areas of Mongolia and into the Steppes Naskins, was a city of 1,500,000 people, and we told you that on the 26th of April that you could look for this in the Asiatic area. Well, it hit this city and virtually broke it apart, and it devastated 1/2 of the city. It loosed missiles loaded with poisoned gas which they were making in preparation for the great war they hoped to spring on you. Then last Tuesday they shook again and they said that what was not shaken down on the 26th came down on last Tuesday. These great factories and peoples homes were simply swallowed up as the earth opened up. And then they have had 300 earthquakes from then until the one they had yesterday. So there is practically nothing left of that city which was carrying out its area of

warfare against you. No wonder that God said: I will make the earth fight for you as it has fought for Israel in the past. He uses the natural forces of nature to fight for you.

Thus we are in the hour when God is stirring up the Spirit of Elijah, and it is moving out upon ministers and upon leaders, and among the Right Wing in these United States, and we are not ashamed to cite that we are Right Wingers. Because we are aware and we do know that this fits the pattern of God's declaration. How do we get out of this hour? The day of deliverance is coming upon us, so how do we know when it has arrived? Well! You are going to hear a mighty trumpet sound, and you are going to know that the day has arrived. It will be just as simple as that. We turn over to the Book of Revelations and we find that it will be just that way, Rev. 14:6-7 For I heard an angel sounding forth the voice of the Everlasting Gospel, and he said in a loud voice: Fear God and give glory to him for the hour of his judgment is come; and worship him that made heaven, and earth, and sea, and the foundations of waters. This is to the children of the Kingdom who are intent upon worshiping the only true YAHWEH, the God of Israel, the only ONE upon the face of the earth. And so by this declaration then another Angel said: Babylon is fallen, that great city which made all nations drink of the wine of the wrath of her fornication. And the third Angel said: If any man worship the beast, and his image, and receive his mark in his forehead, or in his heart, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the Lamb.

And the smoke of their torment ascendeth up for ever, and they have no rest night or day, they who worship the beast and his image, and whosoever receiveth the mark of his name. Verse 12: Here is the patience of the saints; here are they that keep the commandments of God and the Faith of YAHSHUA (Jesus). And I heard a voice from heaven saying: Blessed are the dead which die in the LORD from henceforth; Yea, saith the Spirit, that they may rest from their labours; and their works do follow them. And then I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of Man, having on his head a golden crown, and in his hand a sharp sickle. And another angel came out of the temple,

crying with a loud voice to him that sat on the cloud, Thrust in thy sickle and reap; for the time is come for thee to reap; for the harvest of the earth is ripe.' Alright, the harvest of the earth, not the kingdom and so in this time then, HE who sat on a cloud thrust in his sickle and the earth was reaped. Then an angel came out of the temple which is in heaven, and he also having a sharp sickle.

And another angel came out of the altar, which had power over fire; and cried with a loud voice to him that had the sickle saying: Thrust in thy sharp sickle and gather the clusters of the vine of the earth, for her grapes are fully ripe. And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God. And the winepress was trodden without the city, and blood came out of the winepress, even unto the horses bridles, by the space of a thousand and six hundred furlongs.' Thus we have the story of the climax of the Age. We have the day of deliverance in the NAME of the Most High God, and I am going to cite to you that while the forces of darkness are being engaged in the conflict with the hosts of the Most High God that where as this in Revelations is in symbolism, still the hosts of the Most High God come in with vast fleets and the Mighty Hosts of heaven, for one hour. And we are told that it is within this hour that it shall be, that the hosts of darkness are to be picked up. In fact the time of the tares is like that. He takes the tares out first.

You are going to find that there will be a lot of missing people, but you aren't going to miss them because you don't need them. He is going to take out the tares first. Of course there are many who do not believe that God is going to take out the tares, but He is. He is going to gather them up with His administering spirits, and His living Angelic hosts and His sons and daughters as well. He is going to take out the tares first and thus all of these patterns are the beginning of the climax of the end of the Age. We cite to you that you do not need to be ashamed to admit that you are a Right Winger because in this day, THEY have created semantics themselves and, THEY, have said that a conservative is not a red, that a conservative is against communism, and that is what we are. Therefore, THEY, say that we are Right Wingers and, THEY don't want to be on the extreme left, but maybe in the middle. But I am going to tell you that it

will be the extreme Right that will save, not the middle. So the area of extremism is a very significant thing. We can turn to Barry Goldwater who gave a good definition of extremism, as he cited that it was virtually 'extremism' when it was on the right of virtue. We point out to you that you cannot be to Right in this instant of the battle against the policies and the pattern of destruction. THEY would destroy your youth, THEY would destroy your production, your economy, your military, your air fleets without a battle. And then deliver you by a total pacifism surrender into the hands of your enemy.

In fact today we have committee after committee that actually have taken thousands of dollars out of the Treasury of the United States that are engaged in all kinds of plans as to how to disarm you. Actually we should close that up for the next 20 years, because we don't need an organization to tell us how to disarm, we need someone to tell us how to turn our ploughshares back into swords, and our pruning hooks back into spears, because we are going to stand off the 'northern army' (Lucifer's children). This is the declaration of the Most High God. Now: we are not afraid to proclaim the truth because we speak the word of God. Because we know God will defend His Word. We know that in that hour, when the enemy rises that the judgment of God comes in and moves. That we recognize that the judgments of God are going to move and the head of the enemy is going to be totally and completely destroyed. In fact in this nation we are going to see one of the greatest divisions of society that the world has ever seen, because the enemy will be destroyed in the great nation of God's Kingdom. Already they are moving out, they are moving down to Rio-de-Janeiro, and to Mexico. They have a lot of wealth or think they do because they have taken our gold and silver and put it over in Tel Aviv, and they have all this paper money. But let me tell you something one of these days, THEY will discover that the paper they have is not wealth, because we will set up a paper that will be United States money once again. And thus we stand at the crisis of the hour. Congress is thinking twice before they go ahead with new projects because of the disturbance of the people. As the people are disturbed they speak out against this area of fallacy, and this design to give away our strength, and our greatness, and being absorbed by the world. We are being told that this is a great thing, it is a wonderful thing, and we must become a part of a wonderful

'One World'. I am going to tell you that you are not to become a part of the world. Your nation is to be a part of the program of God's Kingdom and that is the important thing, and the Kingdom of God is going to inherit the earth and the Saints (believing offspring) of the Most High God are going to take possession of the Kingdom and reign forever and ever.

The Ancient of Days; the ETERNAL ONE, the ONE who said: I am Alpha and Omega, Lord God Almighty. And He says: It is enough. When He calls for this climactic point of view He has given us the signs in the sky, the measure of existence, and we are in the hours of His judgment, and I am going to tell you that it is later than you think. Even as the summer drums of the jungle Mau Mau beats out in the streets of California, and even from Baltimore to Philadelphia, and from Chicago to Detroit, and from Richmond and on to California, these are declarations of war from our enemy. When this happens you are on the road to finality plus the fact that we are in an area of great decision, and it is one which we should be very cautious about. In fact I think it is time for the U.S. to look with great clarity at our relationship with Israeli. Today we note in the 'New Week' of last week that Sammy Jackson spoke out and said he was glad that Roosevelt was not alive, because if Roosevelt had been alive he would never have recognized Israeli. He said that Roosevelt was waking up because Ibn Saud had told him that Israeli was not Israel, and had told him who the Jews were, and for the first time he heard that the white nations were Israel, and Roosevelt believed this, so Roosevelt gave to Ibn Saud a beautifully carved, or engraved dagger, and on that dagger, plus a 'Savage Rifle', which was also engraved it said: 'To a Prince of Israel from the President of the U.S., the House of Manasseh.' Alright; we don't have too much to say about Roosevelt except that he got smarter as he got older. They used a little haberdasher, President Truman, to recognize Israeli. When the Jews came in they told him they were the chosen people, and he didn't know any better because his Baptist minister didn't tell him any different, since he didn't know any better either, but the Jews said: Those who bless us will be blessed, and those who hinder us will be cursed, and if you don't recognize little Israeli, then you won't be President again. So Truman, without consulting the State Department or Great Britain, recognized the little State of Israeli, and we as a nation were

committed to Israeli. Did you know that even today Israeli is working and planning for the seizure of the Mosque of Omar, and the erection of a 'Holy Temple' so they claim they are going to build a temple to the Most High God! Well, God is going to have a Temple alright, but it is going to be in a New Jerusalem. It will be a historical memorial that Land of Palestine after He has levelled that land, and after He has set a great earthquake there and wiped it out, and removed the people because the abomination of the desolator are now in that place.

Do you know that we are selling fighter aircraft to Israeli, because they claim they need them for defence? Well, this is no time for selling any of this equipment to Israeli because Israeli is planning an invasion of Arab States. Well, we are in the time of the end. We are in the Day of the LORD. We are in the hour when you will see these things come to pass, and you will know that as these things happen the hour is upon you. While the summer gets warm here, the summer and fall are being planned by the Israeli's, to be warm for their Arab neighbours. Her neighbours are aware of this, and Russia says she will back the Arabs, then cut them short and suddenly they won't have anything to fight with. So the Arab States are being betrayed in their resistance because the Jewish banks run Russia, and the areas of dispersion throughout the world. They are handling more money every day, handling the money of Europe, of the world banks, and the areas of the United Nations with its world bank, and we are the victims of this program of great evil. The Hour of Deliverance is the thing for which we should pray. Do you realize that every white man in America should pray: LORD send us deliverance.

Do you know that we are told that when we call upon the NAME of THE LORD for deliverance, that we shall be delivered? Well, then we should be calling upon the Name of The Lord for this deliverance. We should name our enemy and call for judgment to fall upon them, and call for deliverance in a mighty way. After all these devils do not belong here anyway, and God can deal with their spirits much better, when He gets them in their own dimensions. THEY have brought havoc to God's Kingdom. But He cites that in this hour you will arise and take a stand in God's Kingdom. And in this hour you will crush the wicked which are among you. And so it is not an area that we would give to much descrip-

tion to except to say: that when the Day of the LORD comes then, then reinforcements are coming down from above and THEY are coming up from beneath and the war is on. Make no mistake about it, the day of deliverance is close at hand. THEY shall attempt to deliver you to the Synagogues and to the Prisons, but God said: if you speak out the words that I put in your mouth, and do not try to hide it, or to cover it up, but instead denounce the evil, and the source from whence it comes, THEY won't even touch a hair of your head. So I am going to tell you that it will be a day of courage, of greatness, and a day of deliverance. For if we did not have a deliverance and an awakened people to throw off the whole yoke which comes out of the areas of Babylon we would long be gone down the road to darkness, for we are going at a terrific rate, but the day of deliverance is upon us.

Even though the majority of our nation is moving into the area of the Right Wing, still they don't have the press, the T.V., or the radio for communication. They are listening constantly to the minority which speak as though they have all the power, when they do not. God will awaken those in your midst as well as bring forth those who understand, and know, in that day. So let us call upon the Name of God for deliverance. Yea! Upon the Name of YAHWEH, who is the deliverer.

THE NEW CHRISTIAN CRUSADE CHURCH

CALLING THE PEOPLE OF BRITAIN

At last the bible makes sense!

At last we know its meaning.

Its the book of the RACE
