The Serpent Race
By
Rev. Matthew Ravenshaw

In Gen. 3:15 we are told, "And I will put enmity between and the woman and her seed and thy seed." The important thing to note is that there are two lines of descent here. The seed or descendants of the serpent or Satan and the other, the descendants of Eve or the woman. The word "woman" is used later in scripture to describe those who compromise God's Kingdom. Satan also has a kingdom for it says in Luke 11:18, "If Satan also be divided against himself, how shall his kingdom stand?" The subjects of his kingdom are obviously the seed of the serpent or Satan. Jesus recognized the existence of this evil racial line when he blamed them all for the blood shed beginning with the slaying of Abel. Matt. 23:35.

There are two kingdoms then extant in the world today. The kingdom of good and the kingdom of evil. The Kingdom of God and the Kingdom of Satan. We know that believers in Christ or Christians comprise God's kingdom but who are Satan's subjects? Let us see if we can identify them from the scriptures. There is a people or race which the Bible speaks of in various places as "enemies" of God, "filthy dreamers," "devils," "serpents," "enemies of all righteousness," "princes of this world," "those that are lost," "vipers," and "contrary to all men."

The blood of the true Judahite who originally numbered little more than 40,000, had become thoroughly obliterated by the amalgamation Israel and Judah with the people of Ashdod, Moab, Ammon, Perizzites, Jebuzites, Hittites, Amorites, Amalekites and finally Idumeans. It was the Idumeans who took control of the country of Judea and furnished the Herodian line of rulers. All vestiges of the ancient religion of Israel had been destroyed except certain ceremonial rites which were still allowed by the Idumeans.

At this point the Jews and Idumeans merged and became as one. The Jewish encyclopaedia (1925) under "Edom" stated, "From this time the Idumeans ceased to be a separate people."

Since Jerusalem was destroyed in A.D. 70 the Jews have continued to absorb proselytes from all races. The ancient monuments presenting a physiognomy characteristic of the Hittites reveals the total eradication of Israelitish features. History proves that neither literally or spiritually can the modern Jews claim to be Abraham's descendents and their claim to the Holy Land is therefore without foundation. The Pharisees and the Sadducees were Jews as we know them today. John recognized them for what they were when he said in Matt.3:7 "Oh generation of vipers, who hath warned you to flee from the wrath to come?"

Our Lord, enlarges on this when he excoriates the Jews in the 23rd chapter of Matthew and calls them hypocrites. Matt. 23:33, "Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" Here we find Jesus confirming John's description of these people.

In John 8:44 Jesus described the Jews in these words, "Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth because there is no truth in him. When he speaketh a lie he speaketh of his own for he is a liar and the father of it." This statement rules out any attempt to establish brotherhood or unity between Christians and Jews as there cannot be "brotherhood" where there are different fathers. Christians have God as their father and Jesus Himself says the Jews have Satan as their father.

We are told in 2 John 7:9-11: "For many deceivers are entered into the world who confess not that Jesus is come in the flesh. This is a deceiver and anti-Christ. Whosoever transgresseth and abideth not in the doctrine of Christ hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son. If there come any unto you and bring not this doctrine receive him not into your house and neither bid him gods speed for he that biddeth him god speed is partaker of his evil deeds." Note the text well. it refers to the Jews who rejected Christ. If we so much as wish them good luck we are as bad as they are in the sight of the Lord.

Galatians 2:4 we are told, "And because of false brethren brought in unawares who came in privily to spy out our liberty which we have in Christ Jesus that they might bring us into bondage." Jude 4:8 tells us, "For

there are certain men crept in unawares who were before of old ordained to this condemnation, ungodly men, turning the grace of our Lord into lasciviousness and denying the only Lord God and our Lord Jesus Christ, likewise also these filthy dreamers defile the flesh, despise dominion and speak evil of dignities."

Someone asked, "Doesn't the Bible say we are to love our enemies?" Yes it does. We must be careful, however, not to love God's enemies for God will not hold us guiltless if we do. 2 Chron. 19:2 "shouldst thou help the ungodly and love them that HATE THE LORD?" Therefore is wrath upon thee from before the Lord."

The Babylonian Talmud, which are the Jewish Holy books, contain the very things which Jude so severely condemns. The racial Jew, Benjamin Freedman in his book, Facts are Facts, lists some of the. Things which Jude calls "speaking evil of dignities."

They are as follows—Midrasch Talpioth (225) Christians created to minister to Jews always. lore Des (153,2) Jews must not associate with Christians. Abhodah Zorah (15h) Suggests Christians have sex relations with animals. tore Dea (198,48) Clean female jews contaminated on meeting Christians. Makkoth (7b) Innocent of murder if intent was to kill a Christian. Sepher or Israel (177b) If Jew kills Christian, he commits no sin. Zohar (11,64b) Christian birth rate must be diminished materially. Orach Chaim (57,6a) Christians more to be pitied than sick pigs. Zohar 2 (64b) Christian idolators likened to cows and asses. Kethuboth (3b) The seed of a Christian is valued as seed of beast. Ebenliaezer (44.8) Marriages between Christians and Jews null. Zohar (1,286) Christian idolators are children of Eve's serpent. Bosch Haschannaeh (17b) Non-Jew souls go down to hell. Hilkoth Akum (ch.lx) Forbidden to celebrate Easter and Christmas. Abhodab Zarah (78c) Christian feast days are despicable, vain and evil. Sanhedrin (58b) To strike a Jew Is like slapping the face of God. lore Dea (148,12h) Hide hatred for Christians at their celebrations. Choschen Ham (183,7) keep what Christian overpays in error.. Babha Kama (113b) It is permitted to deceive Christians. Babha Kama (113a) Jews may lie and perjure to condemn a Christian. Zohar . (1,160a) Jews

must always try to deceive Christians, "the prince"; John 12:31, "Now is the judgment of this world, now shall the prince of this world be cast out."

These texts refer to Satan as the Prince of this world and both Jesus and Paul refer to the Jews as children of the devil, therefore they are princes in Satan's realm. The Jews, because of their hatred for Jesus, made it difficult and dangerous for Him to carry on His work in Judea. John 11:7,8, "Then after that saith He to His disciples, 'Let us go into Judea again.' "His disciples said unto Him, Master, the Jews of late sought to stone thee, and goest thou thither again?" In Luke 4:43,44, "Jesus said, "we must preach the kingdom of God to other cities also for therefore am I sent." "And he preached in the synagogues of Galilee."

In John 6:70,71;7:1 we find these words, "Jesus answered them, Have I not chosen you twelve and one of you is a devil? He spake of Judas Iscariot, the son of Simon for it was he that should betray Him being one of the twelve. After these things Jesus walked in Galilee, for he would not walk in Jewry because the Jews sought to kill Him." The only Jew who pretended to be a Judean, among Christ's disciples was Judas. The rest were Galileans. Judas came from a small town in Judea called Kerioth and he was known as ishkerioth or Iscariot meaning "man of Kerioth."

It is plain that His disciples did not consider themselves racial Jews as we know them today or as the Judeans found in Judea or they would not have remonstrated with Him against going again to Judea because of fear that the Jews would stone Him. Indeed, the Jews themselves knew that Peter was not a racial Jew, but a Galilean because of his accent for they said in Matt. 26:73, "surely thou art also one of them for thy speech betrayeth thee." Also Mark 14:70, "...surely thou art one of them for thou art a Galilean and thy speech agreeth thereto."

It is clear that the Benjamites or Galileans were the ones who accepted Jesus and became Christians while the badly mongrelized people who called themselves Jews who resided for the most part in Judea, refused to rejected Him.

Let us now take up the astounding admission by the Jews themselves that they are not of the chosen seed or the "children of the promise" which line descended from Abraham through Isaac and Jacob. John 8:33, They (Jews) answered Him, "We be Abraham's seed and were never in bondage to any man, how sayest thou we shall be made free?" Here they plainly state they were never in bondage. God's elect, His chosen people WERE in bondage in Egypt. The misidentifying the Jews as Judeans causes confusion and which can be traced to one man, Neander. He was of the race John calls a generation of vipers.

Jesus called them vipers and sons of Satan and asked them how can they thought they could escape the damnation of hell. John told us how they are deceivers and anti-Christ. Jude calls them "ungodly men, filthy dreamers, ordained of old to be condemned." Paul called the Jew a child of the devil, enemy of all righteousness and contrary to all men. David said he hated them with a perfect hatred and asked that they be blotted out of the book of Life. We are forewarned in Acts that some of these people would infiltrate our churches and seek to subvert us.

In Spain, Christianized Jews were known as Marranos. These were welcomed into the Christian community until it was discovered that their Christianity was all a sham. When Jewish holidays came around these Marranos secretly observed the rituals in their homes as practiced in the anti-Christian religion of .They had, in fact, never given up their Jewish practices but had joined Christian churches for, as the Bible says, purposes of subversion.

Rev. 2:9, "I know the blasphemy of them which say they are Jews (Judeans) and are not but are of the synagogue of Satan." Rev. 3:9, "Behold, I will make them of the synagogue of Satan, which say they are Jews (Judeans) and are not but do lie."

As we pursue our study of this mysterious people comprising the "synagogue of Satan" it may be helpful to consider the opinions of prominent historical persons to aid us in proper evaluating them.

Sir Archibald. H. Ramsay, who was a member of the British Parliament, in his book, *The Nameless War*, records these wrote:

Seneca 4 B.C. "The customs of this accursed people have grown so strong that they have spread through every land."

St. Justin 116 A.D. "The Jews were behind all the persecutions of the Christians. They wandered through the country everywhere hating and undermining the Christian faith."

Mohammed 570 A.D. "It is incomprehensible to me why one has not long ago expelled these death-breathing beasts; are these Jews anything else but devourers of men?"

Martin Luther 1483 A.D. "How the Jews love the book of Esther, which is so suitable to their bloodthirsty, revengeful, murderous appetite and hope. The sun has never shown on such a bloodthirsty and vindictive people who cherish the idea of murdering and strangling the heathen. No other men under the sun are more greedy than they have been and always will be as one can see from their accursed usury. They console themselves that when their Messiah comes, he will collect all the gold and silver in the world and divide it among them."

Pope Clement VII, 1592 "All the world suffers from the usury of the Jews. Their monopolies and deceits. They have brought many unfortunate peoples into a state of poverty, especially the farmers, working class "and the very poor."

Voltaire 1694 "The Jews are a nothing but an ignorant and barbaric people, which for a long time combined the most loathsome avarice with the most abominable superstition and inextinguishable hatred of all peoples by whom they are tolerated and through whom they are enriched."

Napoleon "I decided to improve the Jews; but I do not want any more of them in my kingdom; Indeed I have done all to prove my scorn of the vilest nation in the world."

Benjamin Franklin 1789 "There is a great danger for the United States of America. This great danger is the Jew. Gentlemen, in every land which, the Jews have settled they have depressed the normal level and lowered the degree of commercial honesty. They have remained apart and unassimilated—they have created a state within a state, and when they are opposed, they attempt to strangle the nation financially as in the case of Portugal and Spain. For more than 1799 years they have lamented their sorrowful fate—namely that they were driven out of their motherland, but, Gentlemen, if the civilized world should give them back Palestine and their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires, they cannot live among themselves; they must live among Christians and others who do not belong to their race.

"If they are not excluded from the United States by the Constitution, within less than a hundred years they will stream into this country in such numbers they will rule and destroy us and change our form of government for which we Americans shed our blood and sacrificed our life, personal property and freedom. If the Jews are not excluded, within 20 years our children will be working in the fields to feed the Jews while they remain in the counting houses gleefully rubbing their hands.

"I warn you, Gentlemen, if you do not exclude the Jews forever, your children's children will curse you in your graves. Their ideas are not those of Americans even when they have lived among us for ten generations. The Leopard cannot change his spots. The Jews are a danger to this land and if they are allowed to enter they will imperil our institutions—THEY SHOULD BE EXCLUDED BY THE CONSTITUTION."

How deadly accurate Benjamin Franklin's words are as we see the creeping paralysis of Jews undermining American traditions, changing our laws and corrupting our institutions. According to the King James Charter, the May-flower Compact and Supreme Court decisions, this country is a Christian nation yet we permit as appointees, bureaucrats, department heads and advisors, hordes of anti-Christians who have swarmed into government service and are busily enforcing their un-American ideologies on our national life.

We have now examined these people in the light of facts derived from historical records as well as Holy Writ. Let us now call upon science for confirmation of the fact that Jews are not as other people. The Scientific American for March 1957 recorded the results of a study conducted by Stephen P. and Leslie C. Dunn of the inhabitants of the Jewish Ghetto of Rome where, for more than 2000 years they had been more or less segregated from the rest of the city. Comprehensive blood tests of this group which has been genetically isolated in the midst of the metropolis revealed the following startling facts:

1. The blood of the Jewish community of Rome discloses a mysterious RH gene which is not present in Christians.
2. Blood typing laboratories are puzzled by the unusual serological reaction it produces.
3. It is difficult to decide whether the blood is RH positive or RH negative.
4. Ghetto population shows definite biological differences from Roman Christians.
5. Tests are now being conducted in Israel on Jews from all parts of the world in an attempt to find the cause of these differences.

We have news for them. If they want to know the cause of these differences they need only to read John 8:44 and find out who their father of the Jews is. Obviously the blood of the "children of the devil" will be different from that of Christians.

A report from Copenhagen, Denmark, written by one John Lulaby of the New York Times concerned a fingerprint study by two Jewish scientists. The researchers were Dr. Leo Sachs of the Weinman Institute in Israel and Dr. M. Bat.Miriam of the Israeli Institute for Biological Research. Following are excerpts from that dispatch:

"The problem, Dr. Sachs said, was to decide how widely scattered members of the race could be subjected to the same physical test."

"He chose fingerprinting because the characteristic pattern of loops, whorls and arches was not subjected to what evolutionists call selective forces; that is, they are not adaptable. They also gave statistically valid evidence of hereditary similarities in otherwise widely different populations."

By examining all ten fingerprints of each of 4,000 Jews now resident in Israel but who originally lived in Poland, Germany, Iraq, Egypt, Morocco, Yemen, Bulgaria and Turkey, Drs. Sachs and Bat-Miriam considered that they had got 40,000 characteristic "dabs" of the many migration streams.

"The frequency of the relationship of the loops, whorls and arches of the prints to one another gave the researchers a series of numerical factors that when compared with the samples of non-Jews SHOWED THAT THERE WERE UNIQUE QUALITIES IN THE JEWISH PRINTS; "There was, Dr. Sachs said, an unmistakable "Mediterranean component" in the eight population samples studied and its character was UNLIKE THE PRINTS OF NON-JEWISH PEOPLE AMONG WHOM THE JEWS HAD BEEN LIVING OFTEN FOR CENTURIES!

The Bible record designating these people as a serpent Race and different from their Christian neighbours is upheld and corroborated historically and scientifically. It seems like a miracle and almost unbelievable but the facts speak for themselves and we Christians can be greatly comforted in the fact that the Book of Books is once more vindicated and proven true. The Binai BIRTH Messenger on June 17, 1955 on page 26 carried the following message: "There must be a rewriting of the Christ story for Christians which will for all time eradicate the myth that the Jews killed Christ."

We Christians can assure these people that the Christ story is already written. It is called the Holy Bible. We Christians will fight to the death to defend it.

There are some texts which may prove troublesome to those who are not well grounded in their knowledge of the scriptures. For example, what did Jesus mean when He said, "salvation is of the Jews," when talking to the Samaritan woman. John 4:22?

According to Josephus, about 409 13.C. Manasseh, brother of the High Priest, Jaddua, was expelled from the community by Ezra on account of his having taken a Samaritan wife. He became the High Priest of the Samaritans and set up a rival system of worship at Gerizim. This counterfeit system of worship incorporated many pagan rites in its rituals and ceremonies. Our Lord was making it plain to the Samaritan woman that salvation could not possibly come to adherents of this type of worship.

Mary was selected out of the House of David to be the "woman who was to compass the child." It was out of the House of David that the Messiah was to come. Therefore salvation could only come through Christ who was of the House of David. The "Jews" whom Christ was referring to were the Benjamites and Galileans who accepted Christ and became Christians. Although known locally as "Jews" which is simply a nickname for Judean or Judahite, the Galileans formed the bulk of Christ's converts. The city of Jerusalem was within the territorial bounds of the tribe of Benjamin. It was almost encircled by the land of Judea. Being a Holy City belonging to the light-bearing tribe of Benjamin they did not want to deny access to the Jews of Judea if they wished to enter the gates of the city.

The House of David was selected out of the tribe of Judah which explains Help. 7:14 where it says Jesus "sprang out of Judah." The tribe of Judah was given a signal honour by the Lord in being the tribe from which the House of David would be selected to provide the Messiah. Gen. 49:10. "The sceptre shall not depart from Judah nor a lawgiver from between his feet UNTIL SHILOH COME and unto Him shall the gathering of the people be."

Why was Judah so honoured? Because Judah prevailed above his brethren. 1 Chron. 5:2, "For Judah prevailed above his brethren and of him came the chief Ruler;" In what way did Judah prevail? To answer that we

turn to Genesis 37 where we find that ten of the 12 brothers wished to slay Joseph but Judah interceded for Joseph and saved his life by selling him to the Ishmaelites. Thus his advice prevailed over the desires of his brothers.

After the House of David was selected or separated from the House of Judah, the remnant of Judah became badly mongrelised during the time of Ezra and Nehemiah. Also the powerful Idumeans had gained control of the ecclesiastical and secular affairs of the Judeans or Jews as they were known colloquially. We hear a great deal these days about the "brotherhood of man." There is an organization of Christians and Jews which promulgate this theory. In associating themselves with Jews, the Christians are indirectly promoting atheism, for to advocate brotherhood without Christ is to advocate atheism. If a Jew can be a brother to a Christian while rejecting and reviling Christ it means that God can be his father without accepting Christ. If access to God without Christ is possible then Christ is unnecessary. If we believe that Christ is unnecessary then we are atheists. It is deplorable that Christian dupes cannot see through this devilish scheme. The union of Christians with the seed of the serpent, the synagogue of Satan is an abomination in the sight of God. Someone asks, "If the brotherhood of man is unscriptural, why does the Bible say we are all of one blood as in Acts 17:26?"

People who quote this verse know or should know that the word "blood" does not occur in the original and is omitted from the authorized version. Also the neuter gender is used. If man was meant it would have been in the masculine gender. The text should be rendered, "and hath made of one species all nations of men to dwell - Homo Sapiens. The same way we refer to dogs belonging to the canine species. The Jews, as we know, are not included or referred to in this text as they come under a different classification, the Serpent Race, and are "contrary to all men."

Samuel Roth, the Jews said in his book You Gentiles on page 155 "We Jews, we the destroyers, will remain the destroyers forever. Nothing that you will do will meet our needs and demands. We will destroy because we need a world of our own."

The Jewish World, Feb. 9, 1883: "The great Ideal of Judaism is... that the whole world should be imbued with Jewish teachings and that in a universal brotherhood of nations—a greater Judaism, in fact all the separate races and religions shall disappear."

At this point it is well for us to be reminded of the following excerpt from a report delivered by Mr. Oudendyke, Netherlands Minister at Petrograd, Russia on Sept. 6, 1918 concerning the situation in Russia. At that time the Netherlands Minister was acting for the British Ambassador and the report was presented to Parliament in London.

"The foregoing report will indicate the extremely critical nature of the present situation. The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilization of the world will be threatened. This is not an exaggeration, but a sober matter of fact; and the most unusual action of German and Austrian consuls general, before referred to, in joining in protest of Neutral legations appears to indicate that the danger is also being realized in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the world war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by the Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all powers. I am also of the opinion that no support whatever should be given to any other socialistic party in Russia, least of all to social revolutionaries, whose policy it is at the moment to overthrow the Bolsheviks, but whose aims in reality are the same, viz., to establish proletarian rule throughout the world. Social revolutionaries will never fight any foreign power, and any profession which they may now make in this sense is merely a tactical move in their struggle with the Bolsheviks."

In the confrontation between the Arabs and the Jews, President Nixon has bluntly informed the American people that we are deeply committed to the Jews.

As a result of our study of excerpts from the Talmud, evidence from the Bible, statements from noted non-Jews throughout history, statements from Jews themselves and their leaders and finally evidence developed by their own scientists in the field of Biology, we are justified in arriving at the following conclusions namely:

1. That the Jews in their capacity of being "contrary to all men" are in a category not commonly associated with the Biblical concept of the family of man.

2. Christians, by virtue of their acceptance of the sacrifice our Lord Jesus Christ made on the cross, are assured of eternal life, the devil" have no such assurance, hence their only concern is with enjoying the "good life" which they now have.

3. That they have a deep and undying hatred of Christians and Christianity in general. Note the hate programs on TV against the Christian people of Germany. It is unceasing and unrelenting. Indeed it was the Jewish hatred of Christian Germany which brought the world war II.

Samuel Untermyer, president of the World Jewish Economic Federation, upon returning from a world wide meeting of Jews in Amsterdam, Holland made a speech on radio Station WABC, Columbia Broadcasting system in N.Y.C. on Aug. 6, 1933 in which he said the Jews of the world had declared war on Germany and would starve them to death. That was six years before any Jew had been punished and before military war was initiated in 1939.

The Jewish founder of the Irgun terrorist organization, Vladimir Jabotinsky, was quoted in the January 1934 issue of Natcha Retch, 1934: "The fight against Germany has been carried on for months by every Jewish community, conference, congress, trade organization, by every Jew In the world. There is reason to believe that our part in this struggle will be of

general value. We shall let loose a spiritual and material war of the whole world against Germany. Germany's ambition to become a great nation again, to re-conquer her lost territories and colonies. Our Jewish interests on the other hand, demand the complete destruction of Germany. The German nation is collectively and individually a danger to us Jews."

The Dutch Jewish paper, *Centraal-Bled Voor Israelites in Nederland* Sept. 13, 1939 declared: "The millions of Jews who live in America, England, France and North and South Africa and, not to forget, those in Palestine, are determined to bring the war of annihilation against Germany to its final end."

Rabbi M. Perizweig, head of the British section of the World Jewish Congress, speaking in Canada, said "The World Jewish Congress has been at war with Germany for seven years." (Toronto Evening Telegram, Feb. 26, 1940.)

The Chicago Jewish Sentinel, Oct. 8, 1942 said: "The Second World War is being fought for the defence of the fundamentals of Judaism."
