The Mainstream Churches: An Abomination In The Sight Of God

**By

A few years ago, I wandered into the mid-week prayer meeting at Stowmarket Baptist Church. The minister, a certain Mr Lacey, addressed his small flock on Isaiah chapter 2, applying a modernist interpretation to the text and misleading his congregation. When he finished I asked if the meeting was open to the public and was told that it was. I pointed out that there was no reason why we shouldn't take the text literally to mean exactly what it says. He interrupted saying that is what he used to believe. I then went on to speak about the Jews, stating a few well established facts before I could proceed very far there were shouts of "Racist" from the congregation and I was stopped by the minister and hustled and bustled out of the church. Afterwards, I thought to myself that if the Lord Jesus Christ, the object of all their prayers and devotions had stood up in their church and uttered the same words He spoke about the Jews 2,000 years ago they would all have shouted out against Him and thrown Him out of their church. It also confirmed what I already knew. If an honest man stood up in the pulpit of ANY church in this land and uttered a few home truths he would soon be shouted down and ejected by the marionette minister and his implanted and brainwashed congregation. As the Old Book says:

"Preach unto us smooth things, preach unto us deceits". Isaiah 30:10. Most of the British have now been so programmed and brainwashed they couldn't recognize the truth if it hit them in the head. But when the Antichrist arises with possible holograms in the sky and telepathic messages channelled straight into their brains and every kind of lying wonder they will flock to him in droves. They will believe and accept him. The British are more interested in the pursuit of pleasure than truth.

Informed sources now refer to the establishment churches as "Christian Synagogues" and the religion practiced in them as "Judaistic Christiani-

ty". It is certainly not the Christianity of the New Testament or the faith delivered by God to the Israel of the Bible. The religion of Judaism (Pharisaism) based on the Babylonian Talmud is the very ANTITHESIS of true Christianity. The Talmud promotes and defends everything Christian people consider to be a perversion and, with references to human excrement and semen, contains the most terrible blasphemies against Christ and Christians ever written. The union of Judaism with Christianity is like trying to combine the worship of Satan with the worship of God. Trying to mix good and evil, black and white. Yet there can be no doubt whatsoever that all of the mainstream churches have now become, not just apologists for the Jews but platforms for preaching Jewish/Illuminati propaganda. While professing Christianity they have embraced the doctrine of Luciferianism. Bishop Montefiore (a member of the Rothschild family) Suffragan Bishop of Kingston-upon-Thames 70-78 and Bishop of Birmingham 78-97 is reported to have said that our Lord Jesus Christ was a homosexual and to have advised White couples to stop having children of their own and adopt coloured children instead. Only recently, (Jan.96) Jewish controlled TV has screened a tear-jerking programme on how some unwanted female Chinese infants are being allowed to starve to death in their orphanages. Some brain-washed and implanted British couples immediately offered to adopt a Chinese orphan and the controlled media treated them like heroes. With a population of about one and a quarter billion there won't be any shortage of babies for the daft and silly British to adopt from this region. Like all race mixers they just do not seem to have the wit to understand that they are being used to help destroy their own race. All the British males who are now taking Philippino wives, all the White girls who copulate with negroes and all the White couples who adopt coloured children are actively helping the Luciferian programme to annihilate their own race permanently and forever. RACE MIXING IS SATANISM THE PROGRAMME OF THE ILLUMINATI TO DESTROY RACE AND POPULATE THE WORLD WITH MIX BREEDS.

When I was in my little cell in Norwich prison an Anglican clergyman called in to see me. I spoke to him briefly about the evil of mixing up the races and mentioned how God separated the races at the tower of Babel. He couldn't get out of the cell fast enough and replied as he passed

through the door "Who believes in that any longer". We now have a clergy that has largely rejected the Bible and the God of the Bible but instead publish and support doctrines that come straight out of Illuminism/Satanism.

All of the mainstream churches are firmly under the control of the International Jewish Conspiracy. Their ministers are no more than what Rosenthal called "pulpit parrots". For years they have been promoting lies like racial equality, the six million fraud the chosen people racket, evolution, modernism ad infinitum. Only recently a visiting "evangelist" from Canada has had people rolling in the aisles, knocking them out cold with a touch and sending sections of his congregation into wild hysteria.

There is nothing new in all of this. Similar scenes have been witnessed at Ju Ju and Voo Doo gatherings. A very powerful spirit is certainly active at his meetings. It is the same spirit which now activates all the mainstream churches. But it is NOT the spirit of the living God.

I have known three Church of England clergymen well in my life. The rector of Tatting-stone whom I met when he came to administer the Communion to elderly patients at Tattingstone Geriatric Hospital where I worked as a ward orderly. "BCG", as his friends knew him, lived in the rectory with his young boy friend. During a friendly chat at the parsonage he told me that women had no attraction for him. The rector of Gissling-ham, parson Stott, unable to attract villagers to his church fixed loud speakers to the church tower and blasted them with his message every Sunday morning. He was the most extraordinary man I have ever met. He could speak in perfect verse as if straight out of Shakespeare. He once entered my mother's restaurant and prayed for her in the presence of her customers. "bless this woman of the cook house". My mother was highly amused and always got a laugh out of relating the story. He once travelled in a railway carriage with a young woman and castigated her vehemently for making herself up like circus clown. He once prayed for me and asked that I might be endowed with all the languages and knowledge of the ancient and modern world - if his prayer had been answered I would have been the greatest genius in history. Parson Stott was convinced that there was treasure buried under the vicarage lawn and he told me that when it

was dug up I would have my share. Hargrave Thomas, rector of Needham Market had, as a young man, been in training for the Catholic priesthood but got a young woman pregnant and married her. So he became a C of E parson instead but always remained at heart a Catholic. Needham Church became very "high" and he successfully emptied it of people by preaching left wing politics from the pulpit. I once went to one of his Sunday evening services with my girlfriend and we were the only people in the congregation plus the organist and deacon. The sermon was endless waffle and Marilyn Munroe seemed to form the principal part of it.

For some extraordinary and inexplicable reason (which I've never been able to get to the bottom of) the C of E has always attracted bizarre and eccentric types to the priesthood. They have all succeeded in making Christianity look quite ridiculous and have turned multitudes away from the faith. Harold Wallace Rosenthal, murdered by Mossad, made it clear enough that all the mainstream churches were under the control of the Jewish Kabbala. He wrote:

"Religion too, must be taught, and through this necessity we have laboured. With our control of the text book industry and the news media, we have been able to hold ourselves up as authorities on religion. Many of our rabbis now hold professorships in supposed Christian theological seminaries (hence the swarms of daft and silly clergy). We are amazed by the Christians' stupidity in receiving our teachings and propagating them as their own. Judaism is not only the teaching of the synagogue but also the doctrine of every Christian Church. Through our propaganda the church has become our most avid supporter. This has given us a special place in society, their believing the lie that we are the 'chosen people' and they, gentiles. Through religion we have gained complete control of society, government and economics. No law is ever passed except its merits have previously been taught from the pulpits. An example of this is race equality which led to integration and ultimately to mongrelisation --- we authored the equality hoax, thereby reducing all to a lower level. We're smart --- we are powerful and at the proper time we will mix up your gentile women with the Blacks and in 50 years you'll be all mixed up. Niggers love to screw your white women and we encourage it by using them to our advantage. I know they're an inferior people, a dumb

race, but can be useful with the use of money. Niggers will do anything for money. You people don't have guts. WE ESTABLISH YOUR THINKING --- we even place within you a guilt complex making you afraid to criticise Jewry openly.

We control every media expression, including newspapers, magazines, radio and television. Even your music. We censor the song released for publication long before they reach the publishers. Before long we will have complete control of your thinking ... The richest plum was later to come when we took over the publication of all school materials. Through these vehicles we could mold public opinion to suit our purposes. The people are only stupid pigs that grunt and squeal the chants we give them, whether they be truth or lies ... You know we laugh at the six million story just like the story that Christ was a Jew and God's Chosen People story ... As I said before, the Jewish people are the cleverest people in the world. So somebody thought up a big number and perhaps it grew until now the number of Jews killed is six million. We have control of the news media and that is the great difference. Otherwise your people could tell YOUR BIG LIE. (NOTE. It has now been admitted that the gas chamber shown to tourists for 46 years at Auschwitz was built by the Communists in 1948). You and we are so apart. You're another breed. You're not our kind. It's not secret that we do not respect you, and your kind. No, you gentiles --- all of you are our enemies ... We are very successful in keeping you gentiles confused. We create confusion. We can destroy any country's economy without their even being aware of it. We are the super government of the world. We are the most powerful international body of people in the world.

We are God's chosen people. Most Jews don't like to admit it, but our god is Lucifer --- so I wasn't lying --- and we are his chosen people. Lucifer is very much alive".

NOTE. All race mixers, Freemasons, politicians, lawyers, journalists, teachers and the whole host of noise and degeneracy merchants and, especially ministers of religion, have been brainwashed by propaganda and are under control. They are being used to promote the destruction of their own race and place the Antichrist on the throne of the world. They

are serving the forces of evil. One World Government is the aim, the destruction of the White race (the true Israel of the Bible) and the annihilation of Christianity. Whether they know it or not all of the above group serve hidden masters and are helping this cause. As stated by Rosenthal they might as well not have a brain they are simply being used as PAWNS IN THE GAME. (*The Confessions of Harold Wallace Rosenthal.*)
